each day engaged: Provided, That the receipts from applicants for examination shall be sufficient to meet such expenses; and if there should be any surplus from paying said expenses, that the same be paid to the State Board of Health for further disbursement.

Sec. 6. That nothing herein contained shall in any way affect or apply to physicians and surgeons who have already registered in accordance with the law now of force.

Sec. 7. That upon the refusal of said Board to grant a license to any applicant, an appeal may be had to the Governor, who may order a re-examination of the applicant to be held in the presence of the Dean of the Faculty of any medical college in this State and a committee composed of six practicing physicians.

Sec. 8. Nothing in this Act shall apply to commissioned medical officers of the United States Army or Navy or the United States Marine Hospital Service, nor shall it include physicians or surgeons residing in other States and called in consultation in special cases with physicians or surgeons residing in this State.

Sec. 9. That all Acts and part of Acts inconsistent herewith are hereby repealed.

Approved January 4th, A. D. 1894.

The Board holds its meetings at the State House in Columbia on the third Tuesday of May of each year, at which time all applicants for a license to practice medicine in this State must exhibit a diploma from a recognized medical college, a certificate of moral character, and must pass a satisfactory written examination on all branches of medicine.

The Chairman and Secretary of the Board are allowed to grant a temporary license to practice medicine until the meeting of the Board in May of each year, at which time the applicant must come up for the regular written examination above mentioned. The applicant for a temporary license will be expected to stand an oral examination on all the branches of medicine.

Physicians moving into the State from other States are subject to the same laws as those who are residents, irrespective of any examinations held previous to their change of location.

No one is allowed to practice medicine in this State without either a temporary license or a regular license as prescribed by law.

The questions at the examination are similar in character to those given by a first-class medical college.

Examinations are held under the following heads:

1. Anatomy, General and Regional.
2. Physiology and Histology.
3. Chemistry, Toxicology, Practical Urinalysis.
4. Materia Medica and Therapeutics.
5. Surgery and Surgical Pathology.
6. Practice and Diseases of Children.
7. Obstetrics and Gynecology.

An average of at least 75 per cent. on the whole list of subjects shall be attained by each applicant, and he shall not make less than 60 per cent. on any one branch.

Examinations will begin at 9 a. m., on the first day of the meeting and run from 9 a. m. to 1 p. m. Dinner hour from 1 to 2 p. m. Examination from 2 to 8. Supper from 6 to 8. Examination from 8 to 10 p. m. Second day examinations from 9 to 1.

Two hours will be allowed for each branch. Papers will be discussed by the Board during the afternoon of second day and until all papers are passed upon.

A fee of \$5.00 will be required of each applicant who is granted a license, said fee to be paid to the Secretary before the examination is entered upon. The fee will be refunded to those failing to pass. A fee of \$2.50 is charged for a temporary license.

CAUTION.

Beware of so called Medical Directories, plagiarized from R. L. Polk & Co's Medical and Surgical Register of the U. S. and Canada, in violation of the copy-right laws.

We have positive proof that some of the so-called State Medical directories issued since August, 1898, were copied from our 1898 Register and palmed off as new and original works.

Our friends will confer a favor upon us as well as render a service to the medical profession by promptly notifying us of such attempted frauds.

PINE FOREST INN.— WINTER RESORT SUMMERVILLE, S. C.

A handsome and superbly-constructed building standing upon a plateau of sixty acres, beautifully wooded with pines intercepted with live oaks. A Tourists' and Health Resort of national reputation. Most excellent artesian water; milk from our own herd of Jerseys; meats and other foods from New York markets. A fine livery in connection. Beautiful drives to many places of historical interest. Golf links of 65 acres. A shooting reserve of 1,800 acres, containing deer, quail and other game, and excellent fishing. Summerville has more to offer to the pleasure seeker and the invalid than any of the resorts of Florida and Georgia. The Congress of Physicians, held several years ago in Paris, France, declared to the world that Summerville, S. C., was one of the two places on the face of the earth where those suffering from pulmonary diseases will find relief in breathing the pure, dry air, fresh from the health-giving pines.

Season open from Dec. 1st to May 1st. Only 40 minutes' ride from Charleston. A 40-page photo-illustrated pamphlet on application.

Address the proprietors,

F. W. WAGENER & CO., Charleston, S. C.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

South Dakota was admitted to the Union November 3, 1889. It extends from 43 degrees to 46 degrees N. latitude, and from 96 degrees 22 minutes 30 seconds to 104 degrees W. longitude, and is bounded on the north by North Dakota, on the west by Montana and Wyoming, on the east by Minnesota and Iowa, and on the south by Nebraska. It has an average length of 206 miles, with an average breadth of 375 miles, and comprises an area of 77,650 square miles, or 49,696,000 acres. The temperature varies during the year from 34 degrees below zero to 103 degrees Fahrenheit. The climate is more mild and genial than the latitude would seem to warrant, and the winters, though cold, are dry, and the air is bracing and invigorating. The average rainfall is about 27 inches, and as it mostly occurs during the warm season, it is most beneficial to vegetation. The atmosphere is dry and clear, and, owing to the elevation, malarial diseases are almost unknown, whilst pulmonary complaints are comparatively rare. Spring opens earlier than in Eastern States in the same latitude.

Rate of mortality in South Dakota, as computed from U. S. census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
328,808	2,705	8.22	2,694	11	8.23	7.25

Total number of deaths from consumption during 1890 was 208, which was at the rate of .63 per 1,000 of population, or 76.89 per 1,000 of total deaths.

MEDICAL LAWS OF SOUTH DAKOTA.

An Act to Regulate the Practice of Medicine in the State of South Dakota, and to Constitute a Board of Medical Examiners and Provide Penalties for a Failure to Comply with the Terms Thereof.

Be it enacted, etc.:

Section 1. It shall be unlawful for any physician or any other person to practice medicine, surgery or obstetrics in any of their departments in this State, unless such person shall have received a license to practice medicine from the Board of Health, as hereinafter provided, and shall have had the same recorded in the office of the Register of Deeds in the county where such physician or person shall reside.

Sec. 2. Nothing in this act shall affect those now in the lawful practice of medicine, surgery or obsetrics in this State.

Sec. 3. Nothing in this act shall be construed to prohibit students from prescribing under the supervision of preceptors or to prohibit gratuitous services in case of emergency, nor shall this act apply to commissioned surgeons in the United States army and navy.

Sec. 4. Any person who shall violate any of the provisions of this act, or any person who shall practice medicine without having obtained a license as herein provided, shall be guilty of a misdemeanor and shall, upon conviction thereof, be punished by a fine of not less than twenty-five dollars nor more than one hundred dollars, or imprisonment in the county jail for a term not exceeding thirty days, or by both such fine and imprisonment, in the discretion of the court.

Sec. 5. The Board of Health of this State is hereby constituted a Board of Public Examiners ex-officio for the purpose of examining and licensing physicians to practice medicine in this State, and any person who is a graduate of a lawful medical college who has attended three full courses of medical lectures of six months each, no two full courses within the same year, and who is of good moral character, and is not an habitual drunkard, shall, upon proof of such facts to the superintendent of the State Board of Health as said Board shall require, and on the payment of a license fee of five dollars, which shall be applied as a part of the superintendent's salary, receive from said superintendent of the State Board of Health a license certifying the applicant to be a practicing physician and qualified for such as prescribed by this section; which license shall be recorded in the office of the Register of Deeds in the county where such practicing physician resides. Provided, That the requirements of the three courses of lectures shall not apply to those who had graduated prior to the passage of this act.

Sec. 6. The State Board of Health shall, upon complaint made to it on oath by one responsible person, have power to cancel any license that may have been issued to any applicant for the practice of medicine, when such license was fraudulently obtained, or when the person to whom such license was issued is an habitual drunkard, or is guilty of immoral practices or gross unprofessional conduct. Provided, That such license shall not be cancelled except after a hearing before such Board of Health at which a majority of such board shall be present, and of which the person holding the license to be cancelled shall have had not less than ten days' notice, and only upon due proof of the facts stated in the complaint; and, Provided further, That an appeal may be taken to the Circuit Court of the county in which the person whose license is cancelled lives, by any person aggrieved thereby, in the same manner as is now provided by law in case of appeal from the decision of County Commissioners.

Sec. 7. It shall be the duty of the State's Attorney to prosecute all violations of this act within his county.

Sec. 8. All acts and parts of acts in conflict with this act are hereby repealed.

Sec. 9. (Emergency.) There being no adequate law on this subject, an emergency is hereby declared to exist, and this act shall take effect and be in force from and after its passage and approval..

Approved February 16, 1893.

The State of Tennessee extends from 35 degrees to 36 degrees 41 minutes north latitude, and from 81 degrees 45 minutes to 90 degrees 14 minutes west longitude, and is bounded on the north by Kentucky and Virginia, on the south by Georgia, Alabama and Mississippi, on the east by North Carolina, and on the west by Arkansas and Missouri. It comprises an area of 45,600 square miles, or 29,184,000 acres. The climate is mild, equable and salubrious, the mean annual temperature as observed at Nashville being 58.32, that of the summer 76.32, and of the winter 39.67. The average annual rainfall is about 45 inches.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

**Adopted by the
U. S. Army...**

As an indication of the great practical value of "SAUNDERS' MEDICAL HAND-ATLASES," it should be noted that the Medical Department of the U. S. Army has adopted the Atlas of Operative Surgery as its standard, and has ordered the book in large quantities for distribution to the various regiments and army posts. (See pages 34, 35, 36.)

MEDICAL LAWS OF TENNESSEE.

THE ACT AS AMENDED TO REGULATE THE PRACTICE OF MEDICINE AND SURGERY IN THE STATE OF TENNESSEE.

Section 1. Be it enacted by the General Assembly of the State of Tennessee, That no person shall practice medicine in any of its departments, except dentistry, within this State, unless such persons obtain a certificate from the State Board of Medical Examiners, or shall obtain a temporary license as provided in Section 5; and such certificate shall be conclusive as to the right of the lawful holder of the same to practice medicine in this State.

Sec. 2. Be it further enacted, That all persons who shall be in actual practice of medicine or surgery in the State at the time of the passage of this Act shall, within six months after this Act takes effect,* be required to make satisfactory proof of this fact to the County Court Clerk of the County in which he resides, when said County Court Clerk shall issue a certificate in each case, in accordance with the facts; and such certificate shall entitle the lawful holder thereof to all the privileges contemplated in this act. A certified copy of this certificate shall be forwarded to the State Board of Medical Examiners.

Sec. 3. Be it further enacted, That any person wishing to enter upon the practice of medicine in any of its branches, except dentistry, after the passage of this act, shall present himself before the Board for examination upon the following branches, viz.: Anatomy, physiology, chemistry, pathology, surgery, obstetrics and materia medica and practice. If the applicant for examination shall be found worthy and competent, then said Board shall issue a certificate in each case in accordance with the facts; and such certificate shall entitle the lawful holder thereof to all the privileges of this act.

Sec. 4. Be it further enacted, That immediately upon the passage of this act, the Governor shall appoint six graduate physicians, two from each grand division of the State, as a State Board of Medical Examiners, whose duty it shall be to examine into the qualifications of all applicants for license to practice medicine or surgery, in accordance with the foregoing sections of this act; provided, that the three schools of medicine—viz., allopath, homoeopath and eclectic—shall be represented on said Board of Examiners. Not less than five shall constitute a quorum, and a majority of those present shall be necessary to reject any application, but such rejection shall not bar the applicant against a re-examination after the lapse of three months; provided, that the members of the Board representing each school of medicine shall have the right to examine all applicants of that school, and the Board shall issue the certificate of qualification to applicants who are recommended by the members of the Board who belong to said school after such examination.

Sec. 5. Be it further enacted, That to prevent delay and inconveniences, two members of the Board may grant a temporary license to any applicant who is permanently located as a resident of some designated place in this State, and make report thereof to the Board at the next regular meeting, and such temporary license shall not continue in force longer than until the next regular meeting of the Board, and such temporary license shall in no case be granted within six months after the applicant has been refused a license by the Board.

Sec. 6. Be it further enacted, That the first Board of Medical Examiners shall meet and organize thirty days from the date of their appointment, and shall serve for the terms of one, two, three, four, five and six years, respectively, deciding by lot or agreement among themselves as to their respective terms of service. At the expiration of the above terms each member of the Board shall be appointed for six years; all vacancies occurring in the Board by death or resignation shall be filled by the Board itself for the remainder of such term or terms; the members of said Board shall not be members of the State Board of Health nor of any medical faculty.

Sec. 7. Be it further enacted, That the regular meetings of the Board shall be once each year, at such time and place as the Board may decide; but the President of the Board may call a special meeting whenever it is demanded by public necessity, the call to be issued by the Secretary and signed by the President.

Sec. 8. Be it further enacted, That the Board of Medical Examiners are authorized to elect such officers and to form such by-laws as may be necessary for the efficient operations of the Board.

Sec. 9. Be it further enacted, That every person holding a certificate from the State Board of Medical Examiners or the County Court Clerk shall have it recorded in the office of the County Court Clerk in which he resides, and the date of record shall be indorsed thereon. Until such record is made, the holder of such certificate shall not exercise any of the rights or privileges therein conferred to practice medicine. Any person removing from one county to another to practice medicine shall record in like manner the certificate in the county to which he removes, and the holder of the certificate shall pay the County Clerk the usual record fee for so doing. Practitioners in one county may go from one county to another on professional business without being required to register, if they have done so in the county in which they reside.

*This was the act of 1889, and made the time for registration with the county court clerks expire December 3, 1889. This time was extended by subsequent amendment in 1891 to July 1, 1891, but is, of course, of no effect now.

Sec. 10. Be it further enacted, That the County Clerk shall keep, in a book provided for the purpose, a complete list of the certificates recorded by him, with the date of each certificate and date of record. If the certificate be based on a diploma, he shall record the name of the medical institution conferring it, and the date when conferred; and that the Clerk hereafter, beginning with the first Monday in July next, and at the end of every six months thereafter, report to the Secretary of the Board of Medical Examiners all such registrations in his office, together with a list of the deaths and removals from his county of those physicians who have registered, or may hereafter register in his office; for which services the Clerk shall be paid by the Treasurer out of the funds of the Board of Medical Examiners ten cents for each name so registered. The register of the County Clerk shall be open to inspection during business hours.

Sec. 11. Be it further enacted, That the Board of Examiners shall keep a record of their proceedings in a book for that purpose, which shall be open for inspection, and shall record the name of each applicant, the time of granting a license, with the names of the members of the Board present.

Sec. 12. Be it further enacted, That the members of said Board shall receive as a compensation for their services ten dollars (\$10) per day during their sessions, and in addition thereto their hotel and traveling expenses by the most direct route to and from their respective places of residence, and the necessary expenses of each meeting of the Board to be paid out of any moneys in the treasury of the Board, upon the certificate of the President and Secretary. The Board is empowered to demand a fee of five dollars (\$5) for the issuance of each certificate. The fee for examination shall be ten dollars (\$10). If the applicant fails to pass a satisfactory examination, and no certificate of license is issued to him, five dollars (\$5) only of his fee is to be retained. The fee for a certificate of temporary license shall be one dollar (\$1), to be paid into the treasury of the Board, said fee to be accredited to the applicant when he applies to the Board for a permanent license.

Sec. 13. Be it further enacted, That it shall be unlawful for any itinerant physician or vendor of any drug, nostrum, ointment, or any application of any kind intended for the treatment of disease or injury, to sell or apply the same; or for such itinerant physician or vendor, by writing, printing, or other methods, to profess to cure or treat disease or deformity by any drug, nostrum, manipulation, or other expedient, in this State; and that whoever shall violate the provisions of this section of this act, provided this act does not apply to merchants and druggists, shall be guilty of a misdemeanor, and, upon conviction thereof before a court of competent jurisdiction, shall be fined in any sum not less than one hundred dollars, and not exceeding four hundred dollars; and all such fines for offenses under this act shall be paid over to the Treasurer of the Board of Medical Examiners, to constitute a part of the funds of said Board; provided, that veterinary surgeons and stock doctors be not included in this bill.

Sec. 14. Be it further enacted, That any person who shall practice medicine or surgery in this State without the certificate issued by the Board of Examiners or County Court Clerk, as provided in Section 2, in compliance with the provisions of this act, shall, for each and every instance of such practice, be guilty of a misdemeanor, and, on conviction thereof, be fined in a sum of not less than ten nor more than twenty-five dollars. Any person filing, or attempting to file, as his own the diploma or certificate of another, or a forged affidavit of identification, shall be guilty of a felony, and, upon conviction, shall be subject to such punishment as is made and provided by the statute of the State for the crime of forgery. Nothing in this act shall be construed to apply to women who pursue the avocation of midwife.

Sec. 15. Be it further enacted, That the Secretary and Treasurer of the Board of Examiners shall give bond, with good security, in amount sufficient to cover all moneys coming into his hands, for the safe-keeping of the same.

Sec. 16. Be it further enacted, That it shall not be lawful for the State Board of Examiners, or any member thereof, in any manner whatever or for any purpose, to charge or obligate the State of Tennessee for the payment of any money; and said State Board shall look alone to the revenue derived from the operations of this act for the compensation designated in Section 12 of this act; and if said revenue is not sufficient to pay each member in full, as per Section 12, then the amount thus received shall be pro rated between the members; but if there should be a greater revenue derived than shall be sufficient to pay the members, as provided in Section 12, such surplus shall be paid to the Comptroller of the State, who shall receipt the Board for the amount received, and shall account for said money as other State revenue.

Sec. 16½. Be it further enacted, That the provisions of this act shall not apply to physicians or surgeons of other States who may be called by any reputable, registered practitioner of this State into actual consultation in regard to some case under his supervision and care.

Sec. 17. Be it further enacted, That this act take effect from and after its passage, the public welfare requiring it.

First act passed April 4, 1889; amended March 25, 1891; again amended April 5, 1897.

Signed by Governor R. L. Taylor, April 29, 1897.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

TATE SPRING, East Tennessee.

THE CARLSBAD OF AMERICA.

modern system of water works, supplying hot and cold baths, closets in new and old hotel, and a splendid fire protection. All the buildings have been repainted and thoroughly renovated and the grounds beautified. Tate is visited at all seasons, and during the summer and winter will be found hundreds of tourists, health and pleasure seekers from the South and North.

HOW IT IS REACHED.

Tate Spring is now reached by the Knoxville and Bristol R. R., via Morristown, on the Southern Railway or Corryton, on the Knoxville, Cumberland Gap and Louisville R. R. Direct connections are made with through Pullman service between the South and East and between Jacksonville, Asheville and Cincinnati.

TESTIMONIALS.

J. M. Studebaker, South Bend, Ind.: "I believe there is no spring in America that contains the healing qualities that Tate Spring does."

DeMerville & Co., Druggists, Nashville, Tenn.: "We are pleased with success of Tate Spring water and indorse all that can be said in its praise."

R. L. Taylor, Governor of Tennessee, Nashville, February 4, 1897: "I regard Tate Spring as the best on the continent. Its life and health-giving water has proven a great blessing to me and to thousands of others."

J. B. Levert, 802 Perdido street, N. O. February 2, 1897: "I consider Tate Spring a most delightful summer resort and the water superior to any I have used."

James Swann (of Inman, Swann & Co.) N. Y.: "I have found Tate water of great benefit and superior to many other waters I have used."

S. M. Inman, Atlanta, Ga.: "The health of my family was greatly benefited in 1883, and I know of no other water in the world in whose medicinal properties I have so much confidence."

TATE WATER is sold by most reliable Druggists in all the principal cities and towns, and is now being successfully shipped to Germany, Canada, Puerto Rico and South America.

Analysis made by T. S. Antesell, M. D., Professor in Chemistry in National Medical College, and Chemist to the United States Department of Agriculture.

The water is colorless, transparent, and without deposit or sediment. It has an acid reaction, due to the presence of carbonic acid, which enables it to hold in solution some carbonate of lime, and which is deposited after the water is exposed to the air for some hours. Specific gravity, 100.35-52. Mineral matter in one gallon (U. S.), 272.91 grains, the constitution of which is as follows:

In view of the unprecedented success of the "SAUNDERS MEDICAL HANDBOOKS," Mr. Saunders has contracted with the German publisher for 100,000 copies of these books. In consideration of this undertaking, the publisher has been enabled to prepare special additional colored plates, making the series even handsomer and more complete than was originally intended. Texas

TEXAS.

CAPITAL, AUSTIN.

Population of State, 2,235,523.

(Census of 1890.)

Females	1,062,970	Native	2,082,587
White	1,745,935	Foreign	152,956
Colored	488,171	Chinese ...	713
Males	1,172,533	Indians	704

Number of physicians, 4,979.

Texas, the largest State in the Union, extends from 25 degrees 51 minutes to 36 degrees 30 minutes north latitude, and from 93 degrees 31 minutes to 106 degrees 43 minutes west longitude, and is bounded on the north by the Indian Territory, on the southeast by the Gulf of Mexico, on the southwest by Mexico, on the east by Arkansas and Louisiana, and on the west by New Mexico. It comprises an area of 274,356 square miles, or 175,587,840 acres.

The climate is warm but equable and salubrious, and the mean annual temperature, as observed at Austin, is 66.72 degrees, and at Galveston 69.38 degrees. In the extreme south it is about 75 degrees, and in the north it falls to 56 degrees. The average annual rainfall is about 41 inches.

The following table shows increase in population during 40 years:

1850.	212,593	1880.	1,591,749
1860.	604,215	1890.	2,235,523
1870.	818,579		

Rate of mortality in Texas, as computed from the United States census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
2,235,523	26,478	11.84	21,288	5,190	12.14	10.60

Total number of deaths from consumption during 1890 was 2,059, which was at the rate of .92 per 1,000 of population, or 77.93 per 1,000 of total deaths.

For list of Medical Colleges, see page 138.

PUBLIC HEALTH DEPARTMENT.

The Public Health Department consists of a State Health Officer, who administers the quarantine, with an officer at each port and crossing on the Mexican border, and internal sanitation by the aid of a county physician in each county and city, subordinate to him only in matters of epidemic diseases. State Health Officer, W. F. Blunt, M. D., Austin; Secretary, Isaac J. Jones.

MEDICAL LAWS OF TEXAS.

AN ACT TO REGULATE THE PRACTICE OF MEDICINE. REVISED STATUTES, 1879.

Article 3625. The presiding judges of the district courts of the several judicial districts shall, as soon as practicable, severally appoint a board of medical examiners for their respective districts, which appointment shall be in writing and signed by the judge making the same, and delivered to the person appointed.

3626. Said board of medical examiners shall be composed of not less than three practicing physicians of known ability, and who are graduates of some medical college recognized by the American Medical Association, and who are residents of the district for which they are appointed.

3627. The appointment of a member of the board of medical examiners shall continue for two years from the date of such appointment.

3628. The board shall, immediately after appointment, select one of their number president, and one secretary, and adopt all necessary rules for the guidance and control of their meetings.

3629. Said boards shall meet regularly semi-annually, at some central points in their respective districts, to conduct examinations and grant certificates, as hereinafter provided; and they shall give at least one month's notice of the time and place of their meeting, by publication in at least one newspaper published in the district in which such meeting is to be held.

3630. Each and every one of such boards shall procure a seal as soon as practicable after their organization, which seal shall be impressed upon every certificate granted.

3631. Whenever a vacancy occurs in any of said boards, the same shall be filled by the judge of the district in which such vacancy occurs.

3632. It shall be the duty of said board to examine thoroughly all applicants for certificates of qualification to practice medicine in any of its branches or departments, whether such applicants are furnished with medical diplomas or not, upon the following subjects, to-wit: Anatomy, physiology, pathological anatomy and pathology, surgery, obstetrics and chemistry; but no preference shall be given to any school of medicine.

3633. When the board shall be satisfied as to the qualifications of an applicant, they shall grant to him a certificate to that effect, which certificate shall entitle the person to whom granted to practice medicine in any county, when the same has been recorded as required by article 3635.

3634. Any two of the members of such board of medical examiners may grant a certificate of qualification to an applicant, and any member of said board shall have authority to grant a temporary certificate to an applicant, upon examination, until the next regular meeting of the board, at which time the temporary certificate shall cease to be of force.

3635. The certificate provided for in the two preceding articles shall, before the person to whom it was granted is entitled to practice by virtue thereof, be recorded in the office of the clerk of the district court of the county in which such practitioner may reside or sojourn, in a well-bound book to be kept by the clerk for that purpose, and when so recorded said clerk shall certify thereon, under his official seal, the fact and date of such record, and shall return such certificate to the person for whom the same was granted, and shall be entitled to demand and receive for such service from the holder of such certificate the sum of one dollar.

3636. The board shall be entitled to demand and receive from each applicant examined the sum of fifteen dollars, whether a certificate be granted to such applicant or not.

3637. The provisions of this title shall not apply to the following persons:

(1) To those who may have already qualified for the practice of medicine under an act entitled "An Act to Regulate the Practice of Medicine," passed May 16, 1873.

(2) To those who have been regularly engaged in the general practice of medicine in this State, in any of its branches or departments, for a period of five years prior to the first day of January, 1875.

(3) To females who follow the practice of midwifery, strictly as such.

3638. No person except those named in the preceding article shall be permitted to practice medicine in any of its branches or departments without first having obtained and recorded a certificate of qualification from some authorized board of medical examiners, as hereinbefore provided, and any person so offending shall be punished as provided in the penal code.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

1 HUNDRED THOUSAND COPIES.....

In view of the unprecedented success of the "SAUNDERS MEDICAL HAND-ATLASES," Mr. Saunders has contracted with the German publisher for 100,000 copies of these books. In consideration of this undertaking, the publisher has been enabled to prepare special additional colored plates, making the series even handsomer and more complete than was originally intended. (See pages 34, 35, 36.)

CAPITAL, SALT LAKE CITY.

Population of State, 207,905.

(Census of 1890.)

Males	110,463	Native	154,841
Females	97,442	Foreign	53,064
White	205,899	Chinese	810
Colored	588	Indians	608

Number of Physicians, 293.

The State of Utah extends from 37 degrees to 42 degrees north latitude, and from 109 degrees to 114 degrees west longitude, and is bounded on the north by Wyoming and Idaho, on the south by Arizona, on the east by Colorado, and on the west by Nevada.

It comprises an area of 84,476 square miles, or 54,064,640 acres, and forms part of the vast plateau which lies between the Rockies and the Sierra Nevada. The surface is very mountainous, interspersed with arid plains, valleys and basins; much of it is utterly sterile. The climate is mild and dry, the mean annual temperature, as observed at Salt Lake City, being 51.86 degrees, that of the summer 73.59 degrees, and of the winter 30.38 degrees. The average annual rainfall is about 18 inches, but in the vicinity of the Great Salt Lake it increases to 23 inches.

The following table shows increase in population during 40 years:

1850. ..	11,380	1880.....	143,963
1860.	40,273	1890. ..	207,905
1870. ..	86,786		

Rate of mortality in Utah, as computed from the U. S. census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
207,905	2,118	10.19	2,107	11	10.23	5.53

Total number of deaths from consumption during 1890 was 62, which was at the rate of .30 per 1,000 of population, or 29.26 per 1,000 of total deaths.

MEDICAL LAWS OF UTAH.

AN ACT REGULATING THE PRACTICE OF MEDICINE IN THE STATE OF UTAH.

TITLE 52—PHYSICIANS AND SURGEONS.

Be it enacted by the Governor and Legislative Assembly of the State of Utah:

1728. State Board of Medical Examiners—Appointment.—There shall be appointed by the Governor at each regular session of the Legislature, by and with the consent of the Senate, a State Board of Medical Examiners, which shall consist of seven members, who shall be representatives of the various recognized schools of medicine and shall hold office until their successors are appointed and qualified. Each person so appointed shall qualify by taking an oath before a judge of the district court that he is a graduate of a legally chartered medical college in good standing and will faithfully perform the duties of his office. Vacancies in the board shall be filled by appointment by the Governor within one month from the time the vacancy shall occur. ('92, p. 81*; '94, p. 128.)*

1729. Organization—Examination and Certificates.—Said board shall organize immediately after its appointment by selecting from its members a president, a secretary and a treasurer. Four members of the board shall constitute a quorum. The board shall have a seal, with which it shall attest its official acts. Any member of the board shall have authority to administer oaths, and the board shall have authority to take testimony in all matters relating to the duties of the board. The board shall have power to issue certificates to any person who furnishes satisfactory proof of having received a degree or diploma from a chartered medical college in good standing, and who shall pass a satisfactory examination before the board. The board shall issue two forms of certificates or licenses, one for persons holding such a degree or diploma who has been examined and favorably passed upon by the board, and another for persons desiring to practice obstetrics under the provisions of section seventeen hundred and thirty-seven. Certificates and licenses shall be signed by all members of the board granting them. ('92, p. 81*; '94, p. 129.)*

The prohibitions of the United States Constitution against State legislation abridging the privileges of citizens are not violated by a March 10th, 1892, applicable alike to citizens of Utah and of other States and Territories, which authorizes the licensing, without examination, of medical graduates who were, but not those who were not, in actual practice at its passage, and also of persons who had practiced for ten years in the Territory before the taking effect of the act, upon passing an examination, although without a diploma, while requiring others to have a diploma besides passing an examination. *People vs. Hasbrouck*, 11 U., 291; 39, p. 918. Nor is such act, in authorizing the board to ascertain and determine the qualifications of applicants to practice medicine, unconstitutional, as conferring judicial power on the board. *Id.*

1730. Fee for Examination.—The fee for the examination provided for in the last preceding section shall be fifteen dollars, which shall be paid to the treasurer of the board of examiners. ('92, p. 82*; '94, p. 129.)*

1731. Non-Graduates.—No non-graduate licensed under the provisions of the acts of the Territorial Legislature shall, in any way, advertise as a doctor, physician or surgeon, but shall, if he advertises at all, do so as a licensed non-graduate practitioner of medicine. The secretary of the board shall enter, without fee, upon the register to be kept by him, the names of all persons to whom certificates are issued as physicians and surgeons. ('92, p. 82*; '94, pp. 129-30.)*

1732. Certificates to be Recorded.—Every person holding a certificate from the said board shall have it recorded in the office of the recorder of the county in which he resides, within three months from the date, and the date of record shall be indorsed thereon. Until each certificate is recorded as herein provided, the holder thereof shall not exercise any of the privileges conferred therein to practice medicine. Any person removing to another county to practice medicine shall record the certificate in like manner in the county to which he removes, and the holder of the certificate shall pay the recorder the usual fees for recording such certificates. ('92, p. 82*; '94, p. 130.)*

1733. Record.—The county recorder shall keep, in a book provided for that purpose, a complete list of the certificates recorded by him, with the date of the issue of the certificate, and, if the certificate be based upon a degree and examination, the name of the medical college conferring the degree, and the date thereof. The register of the county recorder shall be open to public inspection during business hours. ('92, p. 82*; '94, p. 130.)*

1734. Examinations—Refusal and Revocation of Certificates.—Examinations may be made wholly or partially in writing. The board of medical examiners may refuse to issue the certificates provided for in this title to individuals convicted by a court of competent jurisdiction of any offense involving immoral or dishonorable conduct, the nature of which shall be stated in writing. The board may revoke such certificates for like causes. ('92, p. 82*; '94, p. 130.)*

1735. "Practicing Medicine" Defined.—Any person shall be regarded as practicing medicine within the meaning of this title who shall treat, operate upon or prescribe for any

physical ailment of another for a fee, or who shall hold himself out by means of signs, cards, advertisements or otherwise, as a physician or surgeon; but nothing in this title shall be construed to prohibit services in case of emergency, or the administration of family remedies, nor to prevent medical officers of the United States army from the discharge of their official duties, nor to prohibit visiting physicians in the act of consultation. ('92, p. 80*; '94, pp. 130-1.*)

1736. **Practicing Without License.**—Any person practicing medicine, surgery or obstetrics within this State without holding a lawful certificate or license, or otherwise contrary to the provisions of this title, shall be deemed guilty of a misdemeanor. ('92, pp. 82-3*; '94, p. 131.*)

1737. **Obstetricians.**—Persons desiring to practice obstetrics in this State shall be entitled to a license upon satisfactorily passing an examination by the State board of examiners and paying to the treasurer thereof a fee of five dollars; provided, that this section shall not be construed to prevent physicians holding a certificate from practicing obstetrics, or to prohibit such service or the acceptance of a fee in case of emergency, or persons practicing obstetrics in communities where there are no licensed practitioners. ('92, p. 83*; '94, p. 131.*)

1738. **Meetings of Board.**—The board of medial examiners shall meet on the first Monday in January, April, July and October of each year, at 10 o'clock a. m., and such other times as the president of the board shall deem necessary. The place of meeting shall be at the State capital. ('92, p. 84*; '94, p. 132.*)

1739. **Removal of Member of Board.**—Any member of said board may be removed for misconduct in office by a two thirds vote of all the members of the board, but no member shall be removed until after he has been given a trial before said board. ('92, p. 84*; '94, p. 132.*)

1740. **"Medical College" Defined.**—The term "medical college" in this title shall include colleges in good standing in the States where they exist. ('92, p. 84*; '94, p. 132.)

1741. **Territorial Certificates.**—Nothing in this title shall be deemed to require persons now holding certificates from the Territorial board of examiners to make application for license. ('92, p. 82*; '94, p. 132.*)

1742. **Fees, How Expended.**—Money received under this title may be applied in defraying the expenses of the examining board. ('94, p. 132.*)

VERMONT. CAPITAL, MONTPELIER.

Population of State, 332,422.
(Census of 1890.)

Males	169,327	Native	288,334
Females	163,095	Foreign	44,088
White	331,418	Chinese	33
Colored	937	Indians	34

Number of Physicians, 732.

The State of Vermont extends from 42 degrees to 45 degrees north latitude, and from 71 degrees 25 minutes to 73 degrees 26 minutes west longitude, and is bounded on the north by Canada, on the south by Massachusetts, on the east by New Hampshire and on the west by New York. It comprises an area of 10,212 square miles, or 6,535,680 acres, and is intersected by the Green Mountains, which, trending from north to south, nearly parallel to the western boundary, are covered by dense forests of coniferous trees.

The climate is cold, and like most of the New England States, is marked by great extremes, the winters being severe and of long duration, and the summers short, but extremely warm. The mean annual temperature, as observed at Montpelier, is 42.76 degrees, and the average annual rainfall about 36 inches.

The following table shows increase in population during 70 years:

1820.	235,966	1860.	315,098
1830.	280,652	1870.	330,551
1840.	291,948	1880.	332,286
1850.	314,120	1890.	332,422

Rate of mortality in Vermont, as computed from the U. S. Census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
332,422	5,425	16.32	5.412	13	16.33	12.95

Total number of deaths from consumption during 1890 was 661, which was at the rate of 1.99 per 1,000 population, or 121.84 per 1,000 of total deaths.

examiners shall cease to reside in the district for which he was appointed, his office shall be deemed vacant.

Sec. 1746. Qualification of Members—Officers of Board—Its Meetings—Quorum.—The members of said board shall qualify by taking the usual oath of office before the county or corporation court of the county or corporation in which they respectively reside, or before the judge of such court in vacation. The officers of said court shall be a president, vice-president, and secretary (who shall also act as treasurer); said officers to be members of and selected by the board. Regular meetings of the board shall be held at such time and places as the board may prescribe, and special meetings may be held upon the call of the president and any five members; but there shall not be less than one regular meeting each year. Five members of the board shall constitute a quorum. The board may prescribe rules, regulations and by-laws for its own proceedings and government, and for the examination by its members of candidates for the practice of medicine and surgery.

Sec. 1747. Examination of Applicants for the Practice of Medicine and Surgery—Re-examination—Fees of Board.—It shall be the duty of the said board, at any of its said meetings, to examine all persons making application to them, who shall desire to commence the practice of medicine or surgery in this State; provided, said applicant shall produce before said board a diploma, or other satisfactory evidence of his graduation in some medical college, chartered by the State or Territory in which the same is situated. And when an applicant shall have passed an examination satisfactory as to proficiency before the board in session, the president thereof shall grant to such applicant a certificate to that effect. A fee of ten dollars shall be paid to said board, through such officers or members as it may designate, by each applicant before such examination is had. And in case any applicant shall fail to pass a satisfactory examination he shall not be permitted to stand any further examination within the next six months thereafter, nor shall he have again to pay the fee prescribed as aforesaid; provided, however, no applicant shall be rejected upon his examination on account of his adherence to any particular school of medicine or system of practice, nor on account of his views as to the method of treatment and care of diseases; and provided, further, that when, in the opinion of the president of the board, any applicant has been prevented by good cause from appearing before the board, he shall have authority, in his discretion, to grant a special permit to such applicant to practice medicine or surgery until he shall have an opportunity to appear before the board in session for examination; which said special permit shall be revocable at the discretion of the president, and in no case shall it entitle the holder thereof to practice after the next regular meeting of said board. The said board shall have, in their discretion, authority to accept in lieu of examination of an applicant a diploma or other satisfactory evidence of the graduation of the applicant in some medical college chartered by the State or Territory in which the same is situated, and a certificate from the examining board of any other State or Territory of the United States or the District of Columbia, showing that such applicant has passed a satisfactory examination as to his proficiency, and obtained license from said board to practice medicine and surgery in said State, Territory or District.

Sec. 1749. Applicant to Have Certificate of Board Recorded—Fee of Clerk.—Before any person who obtains a certificate as aforesaid may lawfully practice medicine or surgery in this State, he shall cause the said certificate to be recorded in the clerk's office of the county or corporation in which he resides in this State, or, if he resides in the city of Richmond, in the clerk's office of the chancery court of said city; but if he does not reside in the State of Virginia, he shall cause the said certificate to be recorded in the clerk's office of the county or corporation in which he offers to practice in this State, or in the clerk's office of the chancery court of the city of Richmond, if he offers to practice in said city. The certificate shall be recorded by the clerk in a book to be kept for that purpose, and it shall be indexed in the name of the person to whom the certificate is granted. The clerk's fee for recording shall be the same as for recording a deed.

Sec. 1750. Who Prohibited from Practicing Medicine or Surgery Without Certificate—Penalty for Practicing Illegally—What Courts Have Jurisdiction to Inflict.—No person who shall have commenced the practice of medicine or surgery in this State since the first day of January, eighteen hundred and eighty-five, or who shall hereafter commence the practice of the same, shall practice as a physician or surgeon for compensation without having first obtained a certificate from the State board of medical examiners and caused the same to be recorded as aforesaid, or a special permit from the president of said board. Any person shall be regarded as practicing medicine or surgery for compensation within the meaning of this act who shall profess publicly to be a physician or surgeon and shall offer for practice as such, or who shall prescribe for the sick or those needing medical aid, and shall receive therefor money or other compensation, directly or indirectly. Any person who shall practice medicine or surgery in this State in violation of the provisions of this section shall be fined not less than fifty nor more than five hundred dollars for each offense; and it shall not be lawful for him to recover by action, suit, motion or warrant in any of the courts of this State, and compensation for services which may be claimed to have been rendered by him as such physician or surgeon. The county and corporation courts shall have exclusive original jurisdiction to try offenses for violations of the provisions of this section committed within their respective counties and corporations.

Sec. 1752. Who Exempted from Examination.—Nothing in this chapter shall be taken as including or affecting in any way any dentist or midwife, nor any commissioned officer or contract surgeon of the United States army, navy or marine hospital service in the

performance of his duties as such, nor to any physician or surgeon residing in any other State or Territory of the United States, or in the District of Columbia, called into consultation in a special case with a physician or surgeon residing in this State; nor shall this chapter be construed as affecting or changing in any way the laws in reference to the license tax required to be paid by physicians, surgeons and dentists.

2. All acts or parts of acts in conflict with this act are hereby repealed.

3. This act shall be in force from July 1, 1900.

A BILL to amend and re-enact section 4106 of the Code of Virginia, as amended and re-enacted by an act approved February 23, 1894, as amended and re-enacted by an act approved March 5, 1896, as amended and re-enacted by an act approved February 9, 1898, in relation to the jurisdiction of police justices and justices of the peace as to the trial of offenders in certain cases.

1. Be it enacted by the General Assembly of Virginia, That section forty-one hundred and six of the Code of Virginia, as amended and re-enacted by an act approved February twenty-third, eighteen hundred and ninety-four, as amended and re-enacted by an act approved March fifth, eighteen hundred and ninety-six, as amended and re-enacted by an act approved February ninth, eighteen hundred and ninety-eight, relating to the jurisdiction of police justices and justices of the peace as to the trial of offenders in certain cases, be amended and re-enacted so as to read as follows:

Sec. 4106. What Criminal Offenses Police Justices and Justices of the Peace May Try.—The several police justices and justices of the peace, in addition to the jurisdiction exercised by them as conservators of the peace, shall have concurrent jurisdiction with the county and corporation courts of the State in all cases of violations of the revenue laws of the State, and of offenses arising under the provisions of chapter one hundred and eighty-seven of sections thirty-eight hundred and one, thirty-eight hundred and two, thirty-eight hundred and three and thirty-eight hundred and four of the Code of Virginia; and, except where it is otherwise provided, shall have exclusive original jurisdiction for the trial of all other misdemeanor cases occurring within their jurisdiction, in all of which cases the punishment may be the same as the county and corporation courts are hereby authorized to impose. But the grand juries hereafter sworn in the county and corporation courts are hereby authorized and empowered to inquire into and bring to the attention of the court, by presentment or indictment, all such misdemeanors as were cognizable by such grand juries prior to March fifth, eighteen hundred and ninety-six, and in all cases of misdemeanors in which a presentment or indictment is found by a grand jury, and for the trial of which said justices have exclusive original jurisdiction, a copy of such indictment or presentment, together with the names of the witnesses upon whose testimony such indictment or presentment was made, shall be certified and delivered by the clerk of the court in which it is found to some justice of the district in which such offense was committed, said justice to be designated by the court in its order, and such justice shall forthwith deliver such copy of said indictment or presentment to the sheriff or some constable of his county, or sergeant or policeman of his corporation, which copy shall have the force and effect of a warrant of arrest, and the officer shall thereupon arrest the person or persons so indicted or presented, and carry such person or persons before said justice for trial, and shall summon the witnesses aforesaid to appear before such justice, and the same proceedings shall be had thereon as are had upon a warrant issued by a justice; provided, that in any city in which there is a police justice the powers and jurisdiction conferred by this section shall not be exercised by any other justice of such city, except when acting for and in the stead of the police justice according to law. Each police justice and justice of the peace shall try or procure some other justice to try every misdemeanor which is brought before him as herein provided.

2. In force after July 1, 1900.

A BILL to amend and re-enact sections 90 and 93 of an act approved March 6, 1890, entitled an act to provide for the assessment of taxes on persons, property and incomes, and on licenses to transact business and imposing taxes thereon for the support of the government and public free schools, and to pay the interest on the public debt, and prescribing the mode of obtaining licenses to sell wine, ardent spirits, malt liquors, or any mixture thereof, in cases where a court certificate is required.

1. Be it enacted by the General Assembly of Virginia, That sections ninety and ninety-three of an act approved March sixth, eighteen hundred and ninety, entitled an act to provide for the assessment of taxes on persons, property and incomes, and on licenses to transact business, and imposing taxes thereon for the support of the government and public free schools, and to pay the interest on the public debt, and prescribing the mode of obtaining licenses to sell wine, ardent spirits, malt liquors, or any mixture thereof, in cases where a court certificate is required, be amended and re-enacted so as to read as follows:

Sec. 90. No person shall, without a license authorized by law, practice as attorney-at-law, physician, surgeon or dentist; and no person who shall hereafter apply for license to practice as a physician or surgeon shall have such license granted to him unless at the time of such application he shall exhibit to the commissioner of the revenue to whom such application is made a certificate from the president of the State board of medical examiners that such person has passed a satisfactory examination before said board, or a special permit from president of said board, or shall file with him an affidavit that such applicant commenced the practice of medicine or surgery in this State prior to the first day of January, eighteen hundred and eighty-five, which affidavit shall be sub-

scribed and sworn to by such applicant. Any person who shall make a false oath in such affidavit shall be deemed guilty of perjury, and liable to all the prescribed penalties therefor.

Sec. 93. No person shall practice as a physician, surgeon or dentist for compensation, or sell any medicine, salve, liniment or compound of a like kind, unless he be a licensed merchant, whether he be the manufacturer thereof or not, without a license; but a license to practice either medicine or surgery shall confer the privilege of practicing both of said professions; and a license granted to practice in any county or corporation shall authorize such physician, surgeon or dentist to practice throughout the commonwealth without additional license. Any person violating any of the provisions of this section, or who shall practice in either of the professions named without having first obtained a license therefor, shall pay a fine of not less than thirty dollars nor more than one hundred dollars for each offense, and shall be debarred from recovering any compensation for such services by action, suit, motion or warrant in any of the courts of the commonwealth. And any commissioner of the revenue who shall grant a license to practice as a physician or surgeon to any person who shall not have complied with the provisions of section ninety of this act shall be deemed guilty of a misdemeanor, and shall be subject to a fine of fifty dollars for each offense.

2. This act shall be in force from July 1, 1900.

Another amendment gives undergraduates the right to come before the board after their second year at college, on sections passed on at college, and finish their examination after finishing college, end of fourth year. The board grants certificate on both examinations if they make required average.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

Adopted by the U. S. Army...

As an indication of the great practical value of "SAUNDERS' MEDICAL HAND-ATLASES," it should be noted that the Medical Department of the U. S. Army has adopted the Atlas of Operative Surgery as its standard, and has ordered the book in large quantities for distribution to the various regiments and army posts. (See pages 84, 85, 86.)

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

Adopted by the
U. S. Army...

As an indication of the great practical value of "SAUNDERS' MEDICAL HAND-ATLASES," it should be noted that the Medical Department of the U. S. Army has adopted the Atlas of Operative Surgery as its standard, and has ordered the book in large quantities for distribution to the various regiments and army posts. (See pages 84, 85, 86.)

Number of Physicians, 680.

Washington extends from 45 degrees 33 minutes to 49 degrees north latitude, and from 117 degrees to 124 degrees 41 minutes west longitude, and is bounded on the north by the British Possessions, on the south by Oregon, on the east by Idaho, on the west by the Pacific Ocean, and on the northwest by the Strait of San Juan de Fuca and the Strait of Georgia. It comprises an area of 69,994 square miles, or 44,796,160 acres, and is divided by the Cascade Mountains into two distinct sections; the western, a heavily timbered country, rugged and broken, with a few fertile prairies; and the eastern, which has extensive plains admirably adapted to stock raising.

The climate is mild, equable and salubrious, and the mean annual temperature is 50.81 degrees. The average annual rainfall is about 39 inches.

The following table shows increase in population during 30 years:

1860.....	11,594	1880.....	75,116
1870.....	23,955	1890.....	349,390

Rate of Mortality in Washington, as computed from U. S. Census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
349,390	2,695	7.71	2,630	65	7.72	7.32

Total number of deaths from consumption during 1890 was 278, which was at the rate of .79 per 1,000 of population, or 103.15 per 1,000 of total deaths.

MEDICAL LAWS OF WASHINGTON.

AN ACT TO REGULATE THE PRACTICE OF MEDICINE AND SURGERY IN THE STATE OF WASHINGTON, AND TO LICENSE PHYSICIANS AND SURGEONS; TO PUNISH ALL PERSONS VIOLATING THE PROVISIONS OF THIS ACT, AND TO REPEAL ALL LAWS IN CONFLICT THEREWITH, AND DECLARING AN EMERGENCY.

Be it enacted by the Legislature of the State of Washington:

Section 1. The governor of this State shall appoint a board of examiners, to be known as the State Medical Examining Board, consisting of nine members, who shall be learned and skilled in the practice and theory of medicine and surgery, and who shall hold their office for three (3) years, and until their successors are appointed and qualified: Provided, That the members thereof first appointed under this act shall be divided into three (3) classes, each class to consist of three (3). The first class shall hold office under said appointment for the period of one (1) year; the second class for two (2) years, and the third class for three (3) years, from the date of their appointment. It is further provided, That no member thereof shall be appointed to serve for more than two terms in succession.

Sec. 2. The members of said medical examining board shall, before entering upon their duties as such members, take and subscribe an oath to support the constitution and laws of the State of Washington, and of the United States, and to well and faithfully and without partiality perform the duties of such office according to the best of their knowledge and ability; which oaths shall be filed and preserved of record in the office of the secretary of said board. Said medical examining board shall elect a president, secretary and treasurer, and shall have a common seal. The president and secretary shall have the power to administer oaths. Said medical examining board shall hold meetings for examination on the first Tuesday of January and July of each year; said meetings shall be held alternately in Western and Eastern Washington, at such places as the board may designate: Provided, That the first meeting be held at Olympia within thirty (30) days after the appointment and qualification of said board: And provided,

That the board may call special meetings when, in the opinion of a majority of said board, such special meetings are necessary. Said board shall keep a record of all the proceedings thereof, and also a record or register of all applicants for a license, together with his or her age, the time such applicants shall have spent in the study and practice of medicine and surgery, if they shall have practiced at all, and the name and location of all institutions granting to such applicants degrees, or certificates of lectures in medicine or surgery. Said record or register shall also show whether such applicant was rejected or licensed under this act. Said books and register shall be prima facie evidence of all matters therein recorded.

Sec. 3. Hereafter every person desiring to commence the practice of medicine and surgery, or either of them, in any of their or its branches in this State, shall make a written application to said board for a license so to do, which application shall be supported and accompanied by an affidavit of such applicant, setting forth the actual time spent by the applicant in the study of medicine and surgery, and when; whether such study was in an institution of learning, and, if so, the name and location thereof, and, if not in such institution, where and under whose tutorship the study was prosecuted; the time said applicant shall have been engaged in the actual practice, if at all, of medicine and surgery, or either of them, and where the applicant was located during the time of such practice; and the age of the applicant at the time of making such application; such application and affidavit to be filed and preserved of record in the office of the secretary of said board. Such applicant, at the time and place designated by said board, or at the regular meeting of said board, shall submit to an examination in the following branches, to wit: Anatomy, physiology, chemistry, histology, materia medica, therapeutics, preventive medicines, practice of medicine, surgery obstetrics diseases of women and children, diseases of the nervous system, diseases of the eye and ear, medical jurisprudence, and such other branches as the board shall deem advisable. Said board shall cause such examinations to be both scientific and practical, and of sufficient severity to test the candidate's fitness to practice medicine and surgery; which examination shall be by written or printed, or partly written and partly printed questions and answers, and the same shall be filed and preserved of record in the office of the secretary of said board. After examination, if the same be satisfactory, said board shall grant a license to such applicant to practice medicine and surgery in the State of Washington, which said license can only be granted by the consent of not less than five members of said board, except as hereinafter provided, and which said license shall be signed by the president and secretary of said board, and attested by the seal thereof. The fee for such examination shall be ten dollars (\$10), and shall be paid by the applicant to the treasurer of said board toward defraying the expenses thereof; and such board may refuse or revoke a license for unprofessional or dishonorable conduct, subject, however, to the right of such applicant to appeal from the decision of said board refusing or revoking such license, as hereinafter provided.

Sec. 4. The words "unprofessional or dishonorable conduct," as used in section three (3) of this act, are hereby declared to mean:

First—The procuring or aiding or abetting in procuring a criminal abortion.

Second—The employing of what are popularly known as "cappers" or "steerers."

Third—The obtaining of any fee on the assurance that a manifestly incurable disease can be permanently cured.

Fourth—The willfully betraying a professional secret.

Fifth—All advertising of medical business in which untruthful and improbable statements are made.

Sixth—All advertising of any medicines, or of any means, whereby the monthly periods of women can be regulated, or the menses re-established if suppressed.

Seventh—Conviction of any offense involving moral turpitude.

Eighth—Habitual intemperance.

Sec. 5. In any case of the refusal or revocation of a license by said board under the provisions of this act, said board shall file a brief and concise statement of the grounds and reasons for such refusal or revocation in the office of the secretary of said board, which said statement, together with the decision of said board in writing, shall remain of record in said office. Before a license can be revoked by said board for unprofessional or dishonorable conduct under the provisions of this act, a complaint of some person, under oath, must be filed in the office of the secretary of said board, charging the acts of unprofessional or dishonorable conduct and facts complained of against the licentiate accused, in ordinary and concise language; and thereupon said board shall cause to be served upon such accused licentiate a written notice and copy of such complaint, which said notice shall contain a statement of the time and place of hearing of the matters and things set forth and charged in such complaint; and said notice shall be so served at least ten days prior to the time of such hearing. Such accused licentiate may appear at such hearing and defend against the accusations of such complaint, personally and by counsel, and may have the sworn testimony of witnesses taken, and present other evidence in his behalf at such hearing, and said board may receive the arguments of counsel at such hearing.

Sec. 6. In any case of the refusal or revocation of a license by said board under the provisions of this act, the applicant whose application shall be so refused, and the licentiate whose license shall be so revoked by said board, shall have the right to appeal from the decision so refusing or revoking such license, within thirty days after the filing of such decision in the office of the secretary of said board, as hereinbefore in this act provided. Such appeal shall be to the superior court in and for the county in which was

held the last general meeting of said board prior to the refusal of such license, in the case of such refusal; and to the superior court in and for the county in which the hearing was had upon which such license was revoked, in case of such revocation. In any case a person desiring to take such appeal shall serve, or cause to be served, upon the secretary of said board, a written notice of such appeal, which shall contain a statement of the grounds of such appeal, and shall file in the office of such secretary an appeal bond with good and sufficient surety, to be approved by said secretary, to the State of Washington, conditioned for the speedy prosecution of such appeal and the payment of such cost as may be adjudged against him upon such appeal. Said secretary shall within ten (10) days after the service of said notice of appeal and the filing and approval of said appeal bond, transmit to the clerk of the superior court to which such appeal is taken a certified copy, under the seal of said board, of the decision of said board, and the grounds thereof in the case of the refusal of a license; and in addition thereto a certified copy, under such seal, of the complaint in the case of the revocation of a license, together with the bond and notice of appeal. The clerk of such court shall thereupon docket such appeal causes, and they shall stand for trial in all respects as ordinary civil actions, and like proceedings be had thereon. Upon such appeal said causes shall be tried de novo. Either party may appeal from the judgment of said superior court to the supreme court of the State in like manner as in civil actions, within sixty (60) days after the rendition and entry of such judgment in said superior court. If such judgment shall be in favor of the party appealing from the decision of said board, and in case said examining board does not appeal from said judgment within said sixty (60) days, then and in that case said board shall, at the end of said sixty (60) days, and immediately upon the expiration thereof, issue to such successful party the usual license to practice medicine and surgery in this State, and in addition thereto shall reinstate upon the records of said board the name of such successful applicant in case of the revocation of his license by such board. In case of such appeal to the supreme court by said board, no such license shall be issued nor reinstatement be required until the final determination of said cause, and as hereinafter provided.

In case the final decision of the supreme court be against said medical examining board, then and in that case said court shall make such order in the premises as may be necessary, and said board shall act accordingly: Provided, That in no case shall an appeal bond be required of said board, nor shall any costs be adjudged or taxed against the same.

Sec. 7. The person receiving said license shall file the same, or a copy thereof, with the county clerk in and for the county where he or she resides, and said county clerk shall file said certificate, or copy thereof, and enter a memorandum thereof, giving the date of said license and the name of the person to whom the same is issued, and the date of such filing, in a book to be provided and kept for that purpose; and said county clerk shall each year furnish to the secretary of said board a list of all certificates on file in his office, and upon notice to him of the change of location or death of a person so licensed, or of the revocation of the license granted to such person, said county clerk shall enter at the appropriate place in the record so kept by him a memorandum of said fact, so that the records kept by the said county clerk shall correspond with the records of the board, as kept by the secretary thereof. In case a person so licensed shall move into another county of this State, he or she shall procure from the county clerk a certified copy of said license and file the same with the county clerk in the county to which he or she shall remove. Said county clerk shall file and enter the same with like effect as if the same were original license.

Sec. 8. Any person practicing medicine or surgery within this State without first having obtained the license herein provided for, or contrary to the provisions of this act, shall be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be fined not less than fifty dollars (\$50) nor more than one hundred dollars (\$100), or by imprisonment in the county jail not less than ten nor more than ninety days, or by both such fine and imprisonment. All such fines shall be paid into the State treasury for the use and benefit of the common schools. Any person shall be regarded as practicing within the meaning of this act who shall append the letters "M. D." or "M. B." to his or her name, or for a fee prescribe, direct or recommend for the use of any person, any drug or medicine or agency for the treatment, care or relief of any wound, fracture or bodily injury, infirmity or disease: Provided, however, The act shall not apply to dentists. Justices of the peace and the respective municipal courts shall have jurisdiction of violations of the provisions of this act. It shall be the duty of the respective county or district attorneys to prosecute all violations of this act. In cases of appeals to the superior court, as hereinbefore provided, it shall be the duty of the district attorney of the county wherein such appeal shall be tried to represent said board upon said appeal. And in all cases of appeal to the supreme court under the provisions of this act, the attorney-general shall represent said board upon such appeal.

Sec. 9. Said board shall have authority to prescribe and establish all needful rules and regulations to carry into effect the provisions of this act.

Sec. 10. Sec. 2289 of the General Laws of Washington Territory of 1881, and section 1, to amend section 2289 of the Code of Washington Territory, are hereby repealed. It is, however, provided, That all persons licensed under said act, or having complied with the provisions thereof, shall be taken and considered as licensed under this act, and the secretary of the board herein provided for shall enter the names of such persons upon the register so kept by him as licensed physicians and surgeons, upon the written application of such persons.

Sec. 11. Whereas, great embarrassment and inconvenience in relation to the practice of medicine and surgery in this State will arise from delay of time when this act shall take effect; it is therefore declared that an emergency exists, and this act shall take effect and be in force in thirty days from and after the date of approval by the governor.

Received by the governor March 28, 1890.

(Note by the Secretary of State.—The foregoing act having been presented to the governor of the State for his approval, and not having been filed in the office of the secretary of State within the time prescribed by the constitution of the State, with his objections hereto, has become a law under the provisions of the constitution.)

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

SCIATICA.

Senator John W. Mix, Yalesville, Conn., writes: "Sciatica had literally brought me to death's door. In less than 30 minutes after applying Oxydonor, circulation was re-established, and immediate relief and subsequent cure came." **DR. H. SANCHE & CO.,** 61 Fifth St., Detroit, Mich., New York, N. Y., and Chicago, Ill., U.S.A. Canada Office: Montreal, Que. (See page 16.)

The State of West Virginia is bounded on the north by Pennsylvania and Maryland, on the south and east by Virginia, and on the west by Kentucky and Ohio. It extends from 37 degrees 6 minutes to 39 degrees 37 minutes north latitude, and from 77 degrees 43 minutes to 82 degrees 33 minutes west longitude, and comprises an area of 24,780 square miles, or 15,859,200 acres.

The climate is mild and healthful, the mean annual temperature being 54.27 degrees; that of the summer 71.49 degrees, and of the winter 36.66 degrees. The average annual rainfall is about 43 inches.

The following table shows increase in population during 20 years:

1870... ..	442,014	1890... ..	762,794
1880.....	618,457		

Rate of Mortality in West Virginia, as computed from the U. S. Census of 1890:

MEDICAL LAWS OF WEST VIRGINIA.

THE FOLLOWING PROVISIONS, FROM THE ACT OF 1895, SET FORTH THE LAW AS IT NOW IS WITH REGARD TO ADMISSION TO THE PROFESSION OF MEDICINE IN WEST VIRGINIA; AMENDING AND RE-ENACTING SECTION 9 OF CHAPTER 150 OF THE CODE OF WEST VIRGINIA:

WHO MAY PRACTICE MEDICINE IN THIS STATE.

9. The following persons and no others shall hereafter be permitted to practice medicine in this State, viz.: First—All such persons as shall be legally entitled to practice medicine in this State at the time of the passage of this act.

Second—All such persons as shall pass an examination before the State Board of Health and shall receive certificates from the said Board to that effect, as hereinafter provided.

EXAMINATIONS BY THE STATE BOARD OF HEALTH.

9a. The State Board of Health shall, at such times as a majority of them shall deem proper, hold examinations for the licensing of practitioners of medicine. Such examinations shall be not less in number than three, during each year, and shall be held at such points in the State as shall be most convenient to those presenting themselves for examination to the State Board of Health. At such examinations written and oral questions shall be submitted to the applicants for license, covering all the essential branches of the sciences of medicine and surgery, and the examination shall be a thorough and decisive test of the knowledge and ability of the applicants. The President and Secretary of the State Board of Health shall issue certificates to all who successfully pass the said examination, and such certificates, after being duly recorded as hereinafter provided, shall be deemed licenses to practice medicine and surgery in all their branches in this State.

The State Board of Health shall give timely notice of the time and place of holding each such examination, by publishing such notice in at least three newspapers of general circulation in this State, and all persons wishing to present themselves for examination should notify the Secretary of the State Board of Health to that effect. No applicant for license to practice medicine in this State shall be rejected because of his or her adherence to any particular school or theory of medicine. The State Board of Health shall call to their assistance, in the examination of any applicant who professes the homœopathic or eclectic school of medicine, a homœopathic or eclectic physician duly licensed to practice medicine in the State, and such homœopathic or eclectic physician so called to the assistance of the State Board of Health shall be allowed the per diem and actual expenses incurred, hereinafter allowed to regular members of the State Board of Health; provided, however, that the provisions of this and the preceding section shall not apply to physicians living in other States and duly qualified to practice medicine therein, who shall be called into consultation in this State by a physician legally entitled to practice medicine in this State under these sections.

WE POINT WITH PRIDE TO

HASKINS HOSPITAL

The building is new, large and commodious, and one of the best equipped institutions of the kind in the United States. It is a home-like, cheerful place, delightfully situated on high ground where the climate is temperate.

The building has been constructed especially for the purpose for which it is to be used and has been designed to offer peculiar facilities for the accommodation of surgical cases, and the treatment of allied diseased conditions.

It is of stone and brick and practically fire-proof, and is heated by the hot water system. A passenger elevator of the latest improved pattern is used.

The rooms are large, sunny, and well ventilated; hardwood floor, electric and gas lights, electric bells, double walls and double doors, and every other arrangement which seems adapted to secure the comfort, seclusion and safety of patients.

There are wards intended for patients whose circumstances are such that they cannot afford a private room.

The operating room, of solid marble, is so constructed as to get absolutely pure air, heated and moistened to any degree that may be desired. Having my office in the same building, I am enabled to give personal supervision to every case.

Three competent resident physicians live in the establishment; well-trained nurses will give the patients the best of care.

Number of patients limited to seventy-five (75); no dementia cases received nor any form of disagreeable invalidism.

Patients may engage the services of any physician in good standing, with whom they must make their own arrangements. Inspection invited. Full information on application.

Members of the profession who may commend their patients to our care can be assured of the most competent management and most exacting professional courtesy.

Terms, \$12.00 to \$25.00 per week, according to room. Address

White	1,680,473	Chinese	128
Colored	2,444	Indians	3,835

Number of Physicians, 2,212.

The State of Wisconsin extends from 42 degrees 31 minutes to 46 degrees 58 minutes north latitude, and from 87 degrees to 92 degrees 53 minutes west longitude, and is bounded on the north by Lake Superior, on the northeast by the Northern Peninsula of Michigan, on the east by Green Bay and Lake Michigan, on the south by Illinois, and on the west by Iowa and Minnesota. It comprises an area of 56,040 square miles, or 35,865,600 acres.

The climate is cool and pleasant, the mean annual temperature being 45.40 degrees, that of the summer 69.11 degrees, and of the winter 20.84 degrees. The average annual rainfall is about 31 inches.

The following table shows increase in population during 50 years:

1840.....	30,945	1870.....	1,054,670
1850.....	305,391	1880.....	1,315,497
1860.....	775,881	1890.....	1,686,880

Rate of Mortality in Wisconsin as computed from the United States census of 1890:

Population.	Deaths in 1890.	Rate per 1,000.	White.	Colored.	Rate per 1,000 White.	Rate per 1,000 Colored.
1,686,880	18,662	11.06	18.561	101	11.05	15.76

Total number of deaths from consumption during 1890 was 2,015, which was at the rate of 1.19 per 1,000 of population, or 197.97 per 1,000 of total deaths.

MEDICAL LAWS OF WISCONSIN.

MEDICAL PRACTICE LAW OF 1897, AS AMENDED BY CHAPTER 87 OF THE LAWS OF 1899.

Section 1435 (R. S.). Appointment—Terms—Vacancies.—The governor shall appoint a Board of Medical Examiners consisting of seven members, to be known as the Wisconsin Board of Medical Examiners. Such appointments shall be made from three separate lists containing ten names each, presented every second year to him, one list by the Wisconsin State Medical Society, one by the Homœopathic Medical Society of the State of Wisconsin, and one by the Wisconsin State Eclectic Medical Society. In case any one of said societies fail to present such list of names, the governor may fill the vacancies by the appointment of a sufficient number of reputable practitioners of medicine, who shall be graduates of a recognized medical college and representative of the different schools of medicine as hereinafter provided. All appointments shall be for four years, and until their successors are appointed; and vacancies may be filled by appointments from the lists last filed previous to the occurrence thereof, preserving the proportion of the different schools of medicine as herein required. No person shall be appointed to serve for more than two terms in succession, and no member of any medical school, college or university having a medical department shall be appointed on said board. Three of the appointees shall be allopathic, two homœopathic and two eclectic physicians.

Section 1435a (R. S.). Officers—Meetings and Records.—Said board shall elect from their members a president, secretary and treasurer, and shall have a common seal. The president and secretary may administer oaths for the accomplishment of the objects of the board. Said board shall hold regular meetings on the second Tuesday in each January, April, July and October; one in Madison, one in Oshkosh and two in Milwaukee; and such other meetings at such other times and places as they may from time to time determine. They shall keep a record of all their proceedings, and also a register of all applicants for license, together with a record showing their ages, time spent in the study of medicine, and the name and location of all institutions granting to such applicants degrees or certificates of lectures in medicine or surgery. Said register shall also show whether such applicant was rejected or licensed, and said books and register shall be prima facie evidence of all the matters required to be kept therein.

Section 1435b (R. S.). Examinations—Fees—Record of License—Holders of Diplomas.—All persons commencing the practice of medicine or surgery in any of their branches shall apply to said board at the time and place designated by them, or at any regular meeting, for license so to do, and shall submit to an examination in the various branches of medicine and surgery, or present to said board a diploma from a medical college that requires at least three courses of not less than six months each before graduation, and after the year 1904 at least four courses of not less than six months each before graduation, no two of said courses to be taken within any twelve months. The examination in materia medica, therapeutics and practice of medicine shall be conducted by the members of said board representing the school of medicine which the applicant claims to follow. The proceedings of the board shall at all reasonable times be open to public inspection. After examination, or upon presentation of a satisfactory diploma as herein provided, the said board shall, if it find the applicant qualified, grant a license to said applicant to practice medicine and surgery in this State, which license can only be granted by the consent of not less than five members, and which shall be signed by the president and secretary and attested by the seal of the board. The fee for such examination shall be fixed by the board, but shall not exceed ten dollars. When an examination shall not be required, and if a satisfactory diploma as hereinbefore provided shall be presented, the fee shall not exceed five dollars; such fees shall be paid by the applicant to the treasurer of the board, to be applied toward defraying the expenses of the board. If any person licensed by said board shall be convicted of any crime committed in the

"SAUNDERS' Medical Hand-Atlases

course of his professional conduct, the court in which such conviction is had may, in addition to any other punishment imposed pursuant to law, revoke such license. Any person so receiving such license shall record the same with the county clerk in the county of his residence, and the said clerk shall enter a memorandum thereof, giving the date of said license, name of the person to whom it was issued, and the date of such recording, in a book to be provided and kept for that purpose. Any person removing to another county to practice medicine or surgery shall so record said license in the county to which he removes. Any practitioner of medicine holding a certificate from any other State board imposing requirements equal to those established by the board provided herein may, on presentation of the same with a diploma, be admitted to practice in this State without an examination, at the discretion of the board, on the payment of the fee.

Section 1435c (R. S.). Compensation and Expenses—Report.—All money received by the board shall be kept by the secretary thereof, who shall also act as treasurer. Out of the funds coming into their possession from the fees mentioned in the preceding sections the members may receive all legitimate and necessary expenses incurred in attending meetings and for their services, a sum to be determined by the board, not exceeding five dollars each for each day actually spent in attendance upon the meetings of the board; the secretary shall receive a salary to be fixed by said board, not to exceed ten hundred dollars per annum. Such salary and expenses shall be paid from the fees received by the board, and no part thereof shall be paid out of the State treasury. The secretary shall furnish to the board such bond as they may from time to time direct. It shall be the duty of said board to make a report of their proceedings to the governor at the end of each biennial period, together with an account of all moneys received and disbursed by them, and all moneys in excess of actual expenses shall be paid into the State treasury.

Section 1435d (R. S.). Not Applicable to Whom.—The provisions of this, the four preceding and the two next following sections shall not apply to commissioned surgeons of the United States army, navy or marine hospital service, to physicians or surgeons of actual consultation from other States or Territories, or to medical students practicing medicine under the direct supervision of a preceptor.

Section 1435e (R. S.). Practicing Without License—Malpractice.—Every person who shall hereafter begin the practice of medicine or surgery within this State shall be required to have such license, and any person beginning such practice without first having obtained the same or contrary to law, or who, not having such license, shall advert or hold himself out to the public as a physician or surgeon, or a specialist in medicine or surgery, or who shall use the title of doctor or append to his name the letters M. D., M. B., meaning thereby doctor of medicine or bachelor of medicine, shall be punished by a fine of not less than fifty dollars nor more than one hundred dollars for each such offense, or by imprisonment in the county jail for three months, or both. Any person who practices medicine or surgery, or both, and without authority assumes the title of doctor of medicine, bachelor of medicine, or physician or surgeon, shall not be exempted from, but shall be liable to, all the penalties and liabilities for malpractice which physicians or surgeons are liable to, and ignorance on the part of any such person shall not lessen such liability for failing to perform or for negligently or unskillfully performing or attempting to do so, any duty assumed and which is ordinarily performed or required to be performed by physicians or surgeons.

Section 1435f (R. S.). Practitioner, Who Is—Violation of Law.—Every person shall be regarded as practicing medicine within the meaning of this and the six preceding sections who shall append the letters M. D. or M. B. to his or her name with intent to represent that he or she is a physician or surgeon, or who shall, for a fee, prescribe drugs or other medical or surgical treatment for the cure or relief of any wound, fracture, bodily injury, infirmity or disease. Said sections shall not apply to dentists in the practice of their profession. It shall be the duty of the Board of Medical Examiners to investigate all complaints of disregard, non-compliance or violation of the aforesaid sections, and to bring all such cases to the notice of the proper prosecuting officer; and it shall be the duty of the respective district attorneys to prosecute violations thereof.

CHAPTER 87, LAWS OF 1899, APPROVED MARCH 30, 1899, PUBLISHED APRIL 1, 1899.

Section 1. The Wisconsin Board of Medical Examiners, in addition to the powers conferred by Chapter 264 of the Laws of 1897, and acts amendatory thereto, shall, upon application and payment of the registration fee hereinafter required, duly register and grant authenticated certificates of registration to every reputable resident physician or surgeon of good moral character, who was on the first day of July, 1897, in the active practice of medicine or surgery in the State of Wisconsin. The secretary of said board shall keep books of registration, in which shall be entered the names and addresses of all persons registered under the provisions of this act, together with the reasons justifying such registration, such books to be prima facie evidence of all matters required to be kept therein.

Section 2. Every person practicing medicine or surgery within this State who is not now licensed and registered with said board, shall, within one year from the passage and publication of this act, apply for registration therewith, either in person at a quarterly meeting of said board, or by sending by mail or by express at any other time to the secretary of said board his or her diploma or other credential or evidence of qualification. Every person so applying for registration shall pay to the board a fee of ten dollars at the time of making the application, such fee to be applied toward defraying the expenses of the board, and no certificate of registration shall issue until such

has first been paid. Each applicant, upon having procured such certificate, shall forthwith and within one year from the enactment of this law, record the said certificate in the office of the county clerk of the county in which he resides, and any such registered physician or surgeon who shall thereafter remove to any county in this State other than that in which his certificate is recorded, shall immediately record the same in the county also to which he removes.'

Section 3. The provisions of this act shall not apply to commissioned surgeons of the United States army, navy or marine hospital service, to physicians or surgeons in actual consultation from other States or Territories, or to medical students practicing under the direct supervision of a preceptor, nor in any way conflict with the present statutory laws governing the practice of medicine and surgery in the State of Wisconsin.

Sec. 4. Every person hereafter practicing medicine or surgery within this state, who was engaged in such practice on said first day of July, 1897, shall be required to register with the said board according to the terms of this act, and any person who shall, after the expiration of one year immediately following the passage and publication of this act, attempt to so practice without having first obtained and recorded a certificate of registration as herein required, or who not having obtained and recorded such certificate shall advertise or hold himself out to the public as a physician or surgeon, or specialist in medicine or surgery, or who shall use the title of "doctor," or append to his name the letters "M. D." or "M. B." meaning thereby Doctor of Medicine or Bachelor of Medicine, shall be deemed to be guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less than fifty dollars nor more than one hundred dollars for each such offense, or by imprisonment in the county jail for not less than one month nor more than three months, or by both such fine and imprisonment.

Sec. 5. All money received by the said board in payment of the registration fees herein required shall be kept by the treasurer thereof. Out of the funds so coming into their possession, the members of the board may receive all legitimate and necessary expenses, and for their services a sum to be determined by the board, not exceeding five dollars each for each day actually spent in attending to the business of the board. The secretary of said board shall receive, in addition to his present salary, a compensation for the work herein required of him to be fixed by said board, not to exceed five hundred dollars, such compensations and expenses shall be paid from the fees received by the board, and no part thereof shall be paid out of the state treasury. It shall be the duty of said board to make a report of their proceedings under this act to the governor at the end of each biennial period, together with an account of all moneys received and disbursed by them.

Sec. 6. Any person who shall wilfully make a fraudulent statement or misrepresentation to procure registration for himself or for any other person under the provisions of this act, or who shall violate any such provisions for which a specific penalty or forfeiture is not provided, shall for each and every such offense forfeit the sum of fifty dollars.

Sec. 7. Actions for the recovery of the forfeitures or penalties imposed by this act may be instituted by any member of said board, and the members thereof are specially directed to institute such actions. It shall be the duty of the district attorney of the county wherein such forfeiture or penalty was incurred, to prosecute all persons incurring any forfeiture or penalty under the provisions of this act, upon receiving notice from said board or any officer or agent thereof, or from any other source.

Sec. 8. This act shall take effect and be in force from and after its passage and publication.

MISCELLANEOUS.

COLLECTION OF FEES; COMPETENCY OF WITNESS.

Sec. 1436 (R. S.). No person practicing physic or surgery, or both, shall have the right to collect in any action in any court fees or compensation for the performance of any medical or surgical service, or to testify in a professional capacity as a physician or surgeon in any case, unless he, before the twentieth day of April, 1897, received a diploma from some incorporated medical society or college, or shall since said date have received a license from the State Board of Medical Examiners; provided, that in all criminal actions the court may, in its discretion and in furtherance of justice, receive the testimony of any physician or surgeon without requiring proof of the incorporation of the medical society or college from which he graduated.

PRETENDING TO BE A PHYSICIAN.

Sec. 4603a (R. S.). Any person prohibited by Section 1436 from testifying in a professional capacity as a physician or surgeon, who shall assume a title of doctor of medicine, physician or surgeon by means of any abbreviation or by the use of any word, words, letter or letters of the English or any other alphabet, or by any device whatsoever, printed, written, painted or exhibited in any advertisement, circular, handbill, letter or other instrument, or on any card, sign, door or place shall be punished by fine of not less than twenty-five nor more than one hundred dollars, or by imprisonment in the county jail not less than ten days nor more than sixty days for each offense. In any prosecution hereunder the burden of establishing the defendant's right to use any such title shall be upon him; provided, that medical students may practice medicine or surgery under the direction of a qualified preceptor, that women may practice midwifery and that veterinary surgeons may practice in their special departments without being subject to the provisions of this section.

1 HUNDRED THOUSAND COPIES.....

In view of the unprecedented success of the "SAUNDERS MEDICAL HAND ATLASES," Mr. Saunders has contracted with the German publisher for 100,000 copies of these books. In consideration of this undertaking, the publisher has been enabled to prepare special additional colored plates, making the series even handsomer and more complete than was originally intended. (See pages 84, 85, 86.)

MEDICAL LAWS OF WYOMING.

AN ACT TO REGULATE THE PRACTICE OF MEDICINE, SURGERY AND OBSTETRICS IN THE STATE OF WYOMING, AND TO REPEAL CHAPTER ONE OF TITLE THIRTY-FOUR OF THE REVISED STATUTES OF WYOMING OF 1887.

Be it Enacted by the Legislature of the State of Wyoming:

Section 1. That the Governor by and with the advice and consent of the Senate shall appoint three persons, who shall be electors of this State, who shall constitute the State Board of Medical Examiners. One of the persons so appointed shall hold his office for four years, and the other two for two years, and until their successors are appointed and qualified: Provided, That the first Board shall be appointed upon the passage of this Act, and shall consist of one member for four years and two members for two years, and in each succeeding legislative year there shall be appointed one member for four years and one member for two years. And provided further, That all vacancies occurring in the Board of Medical Examiners, by death, resignation or removal from the State or otherwise shall be filled by appointment by the Governor and the person so appointed to fill any such vacancy shall hold his office until the expiration of the term he was appointed to fill. No person shall be appointed a member of the State Board of Medical Examiners who is not eligible to registry in accordance with this Act.

Sec. 2. The State Board of Medical Examiners shall organize within sixty days after their appointment by taking and subscribing an oath to faithfully discharge the duties of the office, and by the election of a President, Secretary and Treasurer. It shall provide itself with such blanks and certificates as are necessary to comply with the provisions of this Act, and with an appropriate seal, which shall be attached to all certificates and orders issued by the Board. Said oath shall be filed with the Secretary of State.

Sec. 3. It shall be the duty of the State Board of Medical Examiners to pass upon the qualifications and determine the fitness of all persons who may desire to practice Medicine, Surgery or Obstetrics, or who may publicly profess to cure or treat disease, injury or deformity in any manner whatever in this State.

Sec. 4. Every person practicing Medicine in any of its departments shall possess the qualifications required by this Act. If a Graduate in Medicine, he shall present his Diploma to the State Board of Medical Examiners for verification as to its genuineness. If the Diploma is found to be genuine, and issued by a Medical College of recognized merit, said College being a member of the American Association of Medical Colleges, the Homeopathic Institutes or the National Eclectic Medical Association, or any College of similar standing in foreign countries, and if the person named therein be the person claimed and presenting the Diploma, the State Board of Medical Examiners shall issue its certificate to that effect, signed by the majority of all the members thereof, with the Seal of the Board attached, and such Diploma and certificate shall be conclusive as to the right of the lawful holder of the same to practice medicine in this State; Provided, no person holding Diplomas, certificates or other credentials from schools or institutions other than those of recognized merit, as specified in this Chapter, shall be permitted to practice in this State until he has passed a satisfactory examination before said Board. Said examination may be in whole or in part in writing, and shall be of an elementary and practical character, and shall be upon the subjects following: Anatomy, Physiology,

Chemistry, Pathology, Materia Medica and Therapeutics, Hygiene, Theory and Practice of Medicine, Surgery and Obstetrics, and sufficiently strict to test the qualifications of the candidate as a practitioner. For the said examination a fee of twenty-five dollars shall be paid by the candidate to the Treasurer of said Board.

Sec. 5. The State Board of Medical Examiners shall receive through its Secretary applications for certificates and examination. The President, or acting President, shall have the authority to administer oaths, and the Board may take testimony in all matters relating to their duties; they shall issue certificates to all who furnish satisfactory proof of having received Diplomas as provided in Section four of this Act. The Board shall prepare certificates for those entitled thereto. Said Board shall hold annual meetings, and in selecting places to hold their meetings they shall, so far as it is reasonable, accommodate applicants residing in different sections of the State, and due notice shall be published of all their meetings.

Sec. 6. Said State Board of Medical Examiners shall examine Diplomas as to their genuineness and character, and if the Diploma shall be found genuine as represented and of a character hereinafter provided, said Board shall receive a fee of five dollars from each graduate, and no further charge shall be made to the applicants except the fee for recording the same, as hereinafter provided. In case of application made by any person holding a Diploma, as required by Section five of this Chapter, for a certificate to practice within the State, it shall be sufficient for the applicant to present such Diploma and proofs to the Secretary of such Board, and if such Board be not then in session, such Secretary shall inform the members of the Board of such application, by writing or otherwise as will be most practicable, of the facts upon which such application is based, and thereupon such members shall in writing, advise such Secretary as to whether such application be allowed or rejected and, if allowed, the certificate shall be issued as in other cases in this Chapter provided. The verification of the Diploma shall consist in the affidavit of the holder and applicant that he is the lawful possessor of the same, and that he is the person therein named. Such affidavit may be taken before any person authorized to administer oaths, and the same shall be attested under the hand and official seal of such officer. Graduates may present their Diplomas and affidavits as provided in this Act, by letter or by proxy, and the State Board of Medical Examiners shall issue its certificate the same as if the owner of the Diploma was present.

Sec. 7. The Board shall be permitted to issue a certificate to any person who has not a Diploma from some recognized college as contemplated in this Act, but who has been actually engaged in the practice of medicine for a period of ten years, the last five of which shall have been in this State, upon the payment of five dollars, and making application as set forth in Sections four and six of this Act, and filing proof by affidavit or otherwise, to the satisfaction of such Board, setting forth the place of residence, time and places wherein such applicant has practiced, and showing such applicant to be a person of good moral character and sobriety.

Sec. 8. Any person who shall make application to such Board for admission to practice upon Diploma, and such Diploma be found to be fraudulent, or not lawfully owned by such person, such person shall be deemed guilty of a misdemeanor, and on conviction thereof, shall be fined in any sum not exceeding one hundred dollars, or be sentenced to imprisonment for not more than thirty days, or punished by both such fine and imprisonment, in the discretion of the Court.

Sec. 9. Every person holding a certificate from the State Board of Medical Examiners shall have it recorded in the office of the County Clerk of the County in which he resides, and the date and place of record shall be endorsed thereon. Any person moving to another County to practice shall procure an endorsement to that effect on the certificate from the County Clerk, and shall record the certificate in like manner in the County to which he removes; and the holder of the certificate shall pay to the County Clerk the usual fees for making the record.

Sec. 10. The County Clerk shall keep in a book provided for that purpose, a complete list of all the certificates recorded by him, with the date of the issue. If the certificate be based on a Diploma, he shall record the name of the Medical Institution conferring it, and the date when conferred.

Sec. 11. The fees received by the State Board of Medical Examiners shall be kept in a fund to be known as the Medical Fund, and subject at all times to the warrant of the State Auditor, drawn upon written request of the President, and attested by the Secretary of the Board, with the Seal attached, for the payment of any and all expense made by said Board.

Sec. 12. The State Board of Medical Examiners may refuse certificates to individuals guilty of unprofessional or dishonorable conduct, and they may revoke certificates for like causes. In all cases of revocation, the applicant or practitioner may appeal to the District Court of the County in which such revocation is made which shall have power, after examination into the matter, to revoke the action of the Board.

Sec. 13. Nothing in this Act shall be construed to prohibit students from prescribing under the immediate supervision of preceptors or to prohibit gratuitous service in case of emergency, and this Act shall not apply to Commissioned Surgeons of the United States Army and Navy, or Medical Examiners of relief departments of railroad companies, while so employed, or any lawfully qualified Physicians residing in other States or Countries meeting registered Physicians of this State in consultation, or any Physician or Surgeon residing upon the border of a neighboring State, and duly authorized under the laws thereof to practice medicine and surgery therein, whose practice extends into the limits of this State.

Sec. 14. Any person practicing medicine or surgery in this State without complying with the provisions of this Act, shall be punished by a fine of not less than fifty dollars, nor more than three hundred dollars, by imprisonment in the County jail for a period of not more than one year, or by both such fine and imprisonment for each and every offense, and each person filing or attempting to file as his own the Diploma of another, or a forged affidavit of identification, shall be guilty of felony, and upon conviction, shall be punished by imprisonment in the penitentiary for a term not to exceed (3) three years.

Sec. 15. The State Board of Medical Examiners shall examine all persons upon the theory and practice of Obstetrics who openly profess to practice obstetrics and midwifery, who do not have authority to practice medicine or surgery; and they may issue to such candidates and person or persons who shall pass a satisfactory examination, certificates which shall authorize and empower them to practice obstetrics or midwifery. No person shall practice obstetrics or midwifery unless either a Practicing Physician authorized to practice under the provisions of this Act, or holding such certificates as are prescribed by this Section; Provided, that nothing in this Section shall be construed to prohibit persons from rendering services in cases of obstetrics or midwifery in cases of emergency.

Sec. 16. Any itinerant who has not qualified as hereinbefore provided, who shall sell or offer for sale any drug, nostrum, ointment or appliance of any kind intended for the treatment of any disease or injury, or shall by writing, printing or other method, except by ordinary professional card or sign, publicly profess to cure or treat disease, injury or deformity by any drug, nostrum or in any manner whatever, shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be fined in any sum not less than fifty dollars nor more than one hundred dollars, and costs of prosecution, for each offense, and shall be committed until such fine and costs are paid.

Sec. 17. The Secretary of said Board shall be paid a salary which shall be compensation for the actual work done in the performance of the duties of his office, the amount thereof to be fixed by the Board, not to exceed the sum of fifty dollars per annum, the same to be paid out of the Medical Fund by warrants drawn by the State Auditor, upon there being filed with the Auditor a certificate to be signed by the President and Secretary of the Board, with the seal of the Board attached, showing that the Secretary has acted in that capacity for the time for which his bill is presented. The salary shall be paid annually. The members of the Board shall receive the sum of five dollars per day while actually employed in attending meetings of the Board, or in carrying out the provisions of this Act and shall also receive their actual traveling and necessary expenses while engaged in the performance of their said duties to be paid out of the Medical Fund upon warrants to be issued by the State Auditor, and all bills therefor shall be accompanied by a certificate signed by the President and Secretary of the Board, with the seal of the Board attached, attesting the correctness of the bill.

Sec. 18. All Acts and parts of Acts inconsistent with the provisions of this Act are hereby repealed.

Sec. 19. This Act shall take effect and be in force from and after its passage.

Approved February 14th, A. D. 1899.

CAUTION.

Beware of so called Medical Directories, plagiarized from R. L. Polk & Co's Medical and Surgical Register of the U. S. and Canada, in violation of the copy-right laws.

We have positive proof that some of the so-called State Medical directories issued since August, 1898, were copied from our 1898 Register and palmed off as new and original works.

Our friends will confer a favor upon us as well as render a service to the medi-cal profession by promptly notifying us of such attempted frauds.

PORTO RICO.

CAPITAL, SAN JUAN.

Population, 850,000.

The Island of Porto Rico is located in that portion of the Atlantic Ocean known as the Caribbean Sea, 1,500 miles from New York. It is 95 miles in length and 35 in width. The temperature is very even, the average records of the thermometer in the warm sections ranging from 75 to 80 degrees, while the cooler portions have temperatures all the year similar to that experienced during the later spring months in the middle states. There is an abundant water supply and there are over twelve hundred streams, including about fifty entitled to be called rivers. These are invaluable for irrigation and furnish ample water power.

No reliable mortality statistics are obtainable.

HAWAIIAN ISLANDS.

CAPITAL, HONOLULU.

Population (Census of 1896). 109,020.

The Hawaiian Islands are located in the Pacific ocean, extending from 18° 55' to 22° 16', north latitude, and from 154° 40' to 160° 30', west longitude. The Islands are eight in number: Hawaii, Maui, Oahu, Kauai, Molokai, Lanai, Niihau and Kahoolawe. As a matter of fact there are four other islands, but they are barren. Annexed to the United States by treaty in 1897. The climate is equable, the mean annual average temperature, as observed at Honolulu, being about 72 degrees. The well-known Leper Settlement is located on Molokai Island.

MEDICAL LAW OF THE HAWAIIAN ISLANDS.

TO REGULATE THE PRACTICE OF MEDICINE AND SURGERY, AND REPEALING SECTION 2, CHAPTER 59, OF THE PENAL CODE AS AMENDED JULY 7TH, 1870, RELATING TO THE PRACTICE OF MEDICINE AND SURGERY; ALSO, CHAPTER 19 OF THE LAWS OF 1880, CHAPTER 15 OF THE LAWS OF 1887, AND SECTION 47 OF CHAPTER 55 OF THE PENAL CODE, RELATING TO THE PRACTICE OF MEDICINE BY CHINESE PHYSICIANS.

Section 1. No person shall practice medicine or surgery as a profession in the Hawaiian Islands, either gratuitously or for pay, or shall offer to so practice, or shall advertise or announce himself, either publicly or privately, as prepared or qualified to so practice, without having first obtained from the minister of the interior, under seal of his department, a license in form and manner substantially as hereinafter set forth. Such license shall only be granted upon the written recommendation of the board of health.

All licenses to practice medicine or surgery heretofore granted by the minister of the interior upon the recommendation of the Board of Health, and in force at the time of the passage of this act, shall remain in force, subject to the provisions of this act.

Sec. 2. For the purposes of this act, the practice of medicine shall be held to include the use of drugs and medicines, water, electricity, hypnotism, or any means or method, or any agent, either tangible or intangible, for the treatment of disease in the human subject. Provided, however, that nothing herein contained shall be held to forbid any person from the practice of any method, or the application of any remedial agent or measure, under the direction or with the approval of a licensed physician.

Sec. 3. No person shall be recommended by the board of health for a license to practice medicine or surgery except upon the written report of a board of medical examiners, to be appointed and constituted as hereinafter provided, setting forth that the applicant named therein has been duly examined and found to be possessed of the necessary qualifications.

Sec. 4. For the purpose of carrying out the provisions of this act, the minister of the interior is hereby authorized and directed to appoint a board of medical examiners, whose duty it shall be to examine all applicants for license to practice medicine or surgery, and to report the result of such examination to the board of health.

Such board of medical examiners shall consist of three persons, all of whom shall be licensed physicians or surgeons under the laws of this Republic. The first appointment shall be for one, two and three years respectively, and all subsequent appointments, unless to fill out unexpired terms, shall be for three years, subject, however, to removal for cause by the minister of the interior. The members of the board of medical examiners shall serve without pay.

Sec. 5. No applicant for license to practice medicine or surgery shall be examined until he shall have paid to the minister of the interior a fee of ten dollars.

Sec. 6. Any person who shall practice medicine or surgery in the Hawaiian Islands, or who shall offer or attempt to so practice, or shall advertise or announce himself, either publicly or privately, as prepared or qualified to so practice, contrary to the provisions of section 1 of this act, shall be guilty of a misdemeanor, and shall be liable, on conviction, to a fine of not more than two hundred and fifty dollars, in the discretion of the court.

Sec. 7. Licenses to practice medicine and surgery, whether granted under the provisions of this act or of any act heretofore existing, may be revoked by the minister of the interior at any time for professional misconduct, gross carelessness or manifest incapacity; such misconduct, carelessness or incapacity having been proven to the satisfaction of the board of health, and by that body reported in writing to said minister. In case any license is revoked for any of the causes named in this section, the holder thereof shall immediately be notified of such revocation in writing by the minister of the interior.

Sec. 8. In case of an alleged misconduct, carelessness or incapacity on the part of any holder of a license to practice medicine or surgery, the person so charged shall be notified in writing of the charge or charges that have been made, and of the time and place when and where evidence in support of the same will be heard, and shall have the opportunity to present evidence and be heard in his own defense.

Sec. 9. The form of license to practice medicine and surgery shall be substantially as follows:

Republic of Hawaii, Department of the Interior.

LICENSE TO PRACTICE MEDICINE AND SURGERY.

....., a native of, aged years, having been duly examined by the board of medical examiners, and having been recommended by the board of health as possessed of the necessary qualifications, is hereby licensed to practice medicine and surgery in the Republic of Hawaii.

This license is granted and accepted on the express condition that it may be revoked at any time for professional misconduct, gross carelessness or manifest incapacity; such misconduct, carelessness or incapacity having been proven to the satisfaction of the board of health, and by that body reported to the minister of the interior.

Given under my hand and the seal of the department of the interior, this day of, A. D.

MEDICAL LAWS OF BRITISH COLUMBIA.

SYNOPSIS OF REQUIREMENTS.

Sub-sec. (C), Sec. 24, Med. Act, 1898, provides: The Council shall admit upon the register any person who shall produce from any college or school of medicine and surgery, requiring at least four years' course of study, a diploma of qualification, provided that where the college or school of medicine did not require a course of study of at least four years, but a post-graduate course has been taken which in point of time added to the college or school of medicine course completes a period of four years, it shall be deemed sufficient; provided, also, that the applicant shall furnish to the Council satisfactory evidence of identification, and pass before the members thereof, or such of them as may be appointed for the purpose, a satisfactory examination touching his fitness and capacity to practice as a physician and surgeon.

2. Sub-sec. (B), Sec. 24, provides that: The Council shall admit upon the register every person mentioned in chapter 48 of the Acts of Parliament of the United Kingdom, passed in the 49th and 50th years of Her Majesty's reign, duly registered under the "Medical Act" (Imperial), prior to and inclusive of the 30th day of June, 1887, upon complying with the orders, regulations or by-laws of the Council, and giving due proof of such registration, and that the person applying for registration has not lost the benefit of the same by reason of misconduct or otherwise.

3. Every person applying for registration under Sub-sec. (C), 24 Medical Act, 1898, shall, on appearing in person before the Registrar of the Council and paying a fee to the Registrar of one hundred dollars, be entitled to be registered, on producing to such Registrar a certificate duly authenticated under the hand and seal of the Registrar of Medical Practitioners in England, Ireland and Scotland, as the case may be (or other legal evidence), that such applicant is a duly registered medical practitioner, and that he was duly registered under the "Medical Act" (Imperial), on or before the 30th day of June, 1887. Such applicant will also be required to produce a certificate of good standing in the profession of medicine from the Registrar or other officer of the medical body having jurisdiction where such applicant last practiced his profession, and evidence by statutory declaration that he has not lost the benefit of his said registration under the "Medical Act" (Imperial) by misconduct or otherwise.

4. Sub-sec. (D), Sec. 24, provides that: Any homœopathic physician holding a diploma of qualification from any authorized school or college requiring at least a four years' course of study, which has been undergone by the applicant, may be registered under this act upon passing before the Council, or such of them as may be appointed for that purpose, a satisfactory examination in the following subjects, viz.: Anatomy, Physiology, Pathology, Chemistry, Obstetrics and Surgery.

5. The examination shall be orally and in writing, upon the following subjects:

1. Anatomy.
2. Chemistry.
3. Physiology.
4. Pathology.
5. Materia Medica.
6. Medical Jurisprudence.
7. Theory and Practice of Medicine.
8. Surgery.
9. Clinical Medicine.
10. Clinical Surgery.
11. Obstetrics and Diseases of Women and Children.

6. Before examination, the candidate shall pay to the Registrar of the College the fee of one hundred dollars for the examination, fifty of which shall be returned if the candidate be rejected.

7. During the year there shall be two regular meetings and two examinations held, beginning on the first Tuesday of May and the last Tuesday of October.

All examinations are held at the College rooms, in the new Parliament Buildings, Victoria.

8. Permits are not granted by the Council.

For more particular information apply to the Registrar, Victoria, B. C.

CAUTION.

Beware of so-called Medical Directories, plagiarized from R. L. Polk & Co.'s Medical and Surgical Register of the U. S. and Canada, in violation of the copyright laws.

We have positive proof that some of the so-called State Medical directories issued since August 1898, were copied from our 1898 Register and palmed off as new and original works.

Our friends will confer a favor upon us, as well as render a service to the medical profession by promptly notifying us of such attempted frauds.

MEDICAL LAWS OF NEW BRUNSWICK.

REQUIREMENTS FOR REGISTRATION.

MATRICULATION EXAMINATION.

"9. Hereinafter no person shall begin to enter upon the study of Physic, Surgery or Midwifery, for the purpose of qualifying himself to practice the same in this Province unless he shall have obtained from the Council of Physicians and Surgeons a certificate that he has satisfactorily passed a matriculation or preliminary examination in the subjects specified in Schedule B to this Act, or unless he has passed a matriculation examination for an Undergraduate Course in Arts and Science at some College in Great Britain, Ireland, Canada, the United States of America, or the Continent of Europe. Provided, that the Council shall have power to make such alterations in the said Schedule B as may from time to time be deemed requisite."

"10. No candidate shall be admitted to such matriculation or preliminary examination unless he shall have, at least fourteen days previous to such examination, given notice to the Registrar of the Council of his intention to present himself for such examination, and transmitted to the Registrar a certificate showing that he has completed his sixteenth year, and shall before the examination have paid a fee of five dollars to the Registrar."

PROFESSIONAL COURSE.

Four years of study are required, including a graded collegiate course of four sessions of not less than six months each, at some recognized college or university, as per Sec. 1, amendment to the Medical Act, passed 5th March, 1895.

"2. No person shall be entitled to have his name entered on the Register of the Council, or to receive a license to practice from such Council, unless he shall satisfy the Council that he has passed the matriculation or preliminary examination; that, after passing such examination, he has followed his studies during a period of not less than four years; that during such four years he has attended at some university, college or incorporated school of medicine in good standing, a graded collegiate course of four sessions of not less than six months each; such course to include satisfactory and sufficient lectures and instruction in Anatomy, Practical Anatomy, Chemistry, Practical Chemistry, Physiology, Histology, Materia Medica, Pharmacy, Therapeutics, Surgery, Medicine, Obstetrics, Diseases of Women and Children, Medical Jurisprudence, Hygiene and Pathology including Bacteriology, together with evidence of attendance for a period not less than twelve months upon the general practice of an hospital containing not less than fifty beds under the charge of not less than two Physicians or Surgeons; that previous to graduation or obtaining a diploma he has passed satisfactory examinations in the subjects of the above curriculum, and that the examinations have been conducted, and the diploma granted, by a Medical School, College, University or Licensing Body, which itself requires a four years' graded course as above appointed; or for want of such degree or diploma that he has satisfactorily passed an examination in the various branches hereinbefore specified before examiners to be appointed by the Council; and in case he has such degree or diploma that he has passed such examination as to his knowledge and skill for the efficient practice of his profession as may be prescribed by the Council; that he is not less than twenty-one years of age; that he has paid to the Registrar of the Council

a fee of ten dollars; provided that the Council shall have power, subject to the approval of the Governor in Council, to make such alterations in the foregoing curriculum and requirement for registration as may from time to time be deemed requisite; and provided also, that in the event of any person applying for registration as a practitioner of any system of medicine, the registered practitioners of the system shall have the right to appoint an examiner or examiners on the subjects peculiar to that system, namely: *Materia Medica*, Pharmacy and Therapeutics, and if they should neglect so to do, the Council shall have the power to appoint such examiner or examiners."

At the regular meeting of the Council, held July 20th, 1897, it was resolved: "That in future all candidates for Registration in the Province of New Brunswick, be subjected to a professional examination irrespective of any Diploma which they may possess."

The attention of Physicians and Students is particularly called to the fact that a year of study, with a legally qualified practitioner, which has been allowed to count as one of the four years required, is now eliminated from the course, and four sessions at College must be taken in every instance.

PROFESSIONAL EXAMINATIONS.

The Professional Examinations will be held in St. Johns once each year, commencing on the fourth Wednesday in June.

MEDICAL LAWS OF NORTHWEST TERRITORIES.

REQUIREMENTS FOR REGISTRATION UNDER THE MEDICAL ORDINANCE OF THE NORTHWEST TERRITORIES.

The following is a statement in brief of the clauses of the Medical Ordinances and regulations of the Council affecting registration in the Northwest Territories:

1. "The Council shall admit upon the register any person possessing a diploma from any College in Great Britain and Ireland (having power to grant such diploma), entitling him to practice medicine and surgery, and who shall produce such diploma and furnish satisfactory evidence of identification." Cap. 52, s. 29 (a).

2. "The Council shall admit upon the register any member of any incorporated college of physicians and surgeons of any province of the Dominion of Canada exercising powers similar to those conferred by this ordinance upon the College of Physicians and Surgeons of the Northwest Territories by which, under the laws of the Province governing the said incorporated body, similar rights to register and to practice medicine are granted to the persons incorporated under this ordinance." Cap. 52, s. 29 (b).

3. The Council shall admit upon the register any person who shall produce from any recognized college or school of medicine and surgery a certificate or certificates that he has taken a four years' course of lectures and a diploma of qualification from such recognized college or school. Provided that the applicant shall furnish to the Council satisfactory evidence of identification and pass before the members thereof, or such examiners as may be appointed for the purpose, a satisfactory examination touching his fitness and capacity to practice as a physician and surgeon, and provided that every applicant for such examination shall pay to the Registrar of the College of Physicians and Surgeons of the North-West Territories the sum of fifty dollars towards defraying the expenses of the examining board". Cap. 52, s. 29, (c).

4. "The Council shall have the power to establish, conjointly with the council or councils of any college or colleges of physicians and surgeons incorporated under any act of the Legislature of any Province of Canada and possessing powers similar to those conferred on the College of Physicians and Surgeons of the North-West Territories, a central examining board, and to delegate to such board all powers possessed by the said Council respecting the examination of candidates for admission to practice medicine and surgery.

"Provided, that such power shall not be exercised unless the persons passing any examination of such central examining board shall, on complying with the laws and rules of the respective councils in other respects, be entitled to registration as legally qualified practitioners in the Provinces whose councils may have conjointly with the said Council established such central examining board.

"Provided, that any examinations conducted by such central examining board shall be held in at least one place within the Territories simultaneously with such examinations held in any Province." Cap. 52, s. 37.

5. Homœopathic physicians may be registered under the North-West Territory Medical Ordinances, and when an examination is required of them, will be granted an examination in Materia Medica and Therapeutics, the Theory and Practice of Medicine, Surgery, Obstetrics and Diseases of Women and Children (except the operative parts thereof), by homœopathic examiners.

SUBJECTS OF EXAMINATION.

MATRICULATION.

6. Matriculation from any recognized university, or, in lieu thereof, first-class or Grade A provincial certificate in any of the Provinces of the Dominion for teacher's license, or an examination in the following subjects:

GROUP A.

- (1) English grammar, composition, literature, rhetoric.
- (2) Arithmetic, including vulgar and decimal fractions, and extractions of the square and cube root and mensuration.
- (3) Algebra to the end of quadratic equations.
- (4) Geometry, first three books of Euclid.
- (5) Latin, first two books of Virgil's *Æneid* or three books of Cæsar's *Commentaries*, translation and grammar.
- (6) Elementary mechanics of solids and fluids, composing the elements of statics and dynamics, hydrostatics and elementary chemistry.
- (7) Canadian and British History, with questions in modern geography.
- (8) Translation and grammar of any two of the following subjects: Greek, French and German.

GROUP B.

PROFESSIONAL CURRICULUM.

- (1) Anatomy, Descriptive and Surgical.
- (2) Chemistry.
- (3) Physiology and Histology.
- (4) *Materia Medica*, Therapeutics and Pharmacy.
- (5) Medical Jurisprudence and Toxicology.
- (6) Pathology and Bacteriology.
- (7) Surgery.
- (8) Obstetrics.
- (9) Diseases of Women and Children.
- (10) Theory and Practice of Medicine.
- (11) Sanitary Science.

Provided, that if any applicant produces to the Registrar satisfactory evidence of having passed an examination in some recognized university or college of arts or medicine equivalent to Group A, the Council may dispense with any examination of such candidate in the subjects under Group A.

7. (a) The examinations for candidates for registration will take place on the second Wednesday in January, May and September in each year, at such places as the President shall name. In the meantime examinations will be held at Indian Head and Calgary, on above dates.

(b) Two weeks' notice of intention of appearing must be given to the Registrar by intending candidates.

(c) Candidates are required to make a minimum of 33 per cent. on each subject and 50 per cent. on the whole before being entitled to pass.

(d) Any candidate making 60 per cent. in three or more subjects, but failing in the others, shall be allowed credit for them, and shall not be required to pass on them at a subsequent examination.

FEES.

8. (a) Examination Fee, \$50.00.

(b) Registration Fee \$50.00.

(c) Annual assessment of every member payable to the Registrar on the 1st of January of each year, \$2.00. In the case of non-residents, this fee may be remitted by the Council.

(d) No candidate will be admitted to any examination until the fee is paid in full. All fees must be paid in lawful money of Canada.

9. Permits to practice are not granted by the Council.

REQUIREMENTS FOR REGISTRATION.

I. MEDICAL STUDENTS AND THE MATRICULATION EXAMINATION.

In accordance with the Medical Act, Sections 6 and 7, this Examination must be passed prior to the commencement of their medical study by all students proposing to qualify themselves to practice in Nova Scotia, and whether they intend to begin professional study within the province or abroad. The sections and schedule referred to in the same are as follows:

"6. Hereafter no person shall begin or enter upon the study of Physic, Surgery, or Midwifery, for the purpose of qualifying himself to practice the same in this Province, unless he shall have obtained from the Provincial Medical Board a certificate showing that he has satisfactorily passed a Matriculation or Preliminary Examination in the subjects specified in Schedule B of this Act.

7. No candidate shall be admitted to such Matriculation or Preliminary Examination unless he shall have at least fourteen days previous to such examination given notice to the Registrar of the Provincial Medical Board of his intention to present himself for

such examination, and transmitted to the Registrar a certificate showing that he has completed his sixteenth year; and shall, before the examination, have paid a fee of ten dollars (1) to the Registrar."

(1) This fee shall not be returned in case of failure, but no additional fee is required when a supplementary examination is granted in one subject.

SCHEDULE B.

With the approval of the Governor-in-Council the uniform standard of matriculation examination, as established under Schedule B of Chapter 24, Rev. Stat. N. S., 5th Series, was amended August 20, 1889, and again April 20, 1891. In accordance with the latter amendment the requirements for the matriculation examination are now as follows:

Compulsory.

English Language.—Including Grammar, Composition, and Writing from Dictation.
Arithmetic.—Including Vulgar and Decimal Fractions, and the Extraction of the Square Root.

Algebra.—To the end of Simple Equations.

Geometry.—Euclid, Books I, II, III, with easy deductions.

Latin.—Including Grammar, Translations from Specified Authors, and translation of easy passages, not taken from such Authors.

Elementary Mechanics of Solids and Fluids.—Comprising the Elements of Statics, Dynamics, and Hydrostatics (2).

(2) As in Blaikie's Elements of Dynamics.

Optional. (3).

One of the following subjects, viz:

History of British America.—With questions in Modern Geography.

History of England.—With questions in Modern Geography.

French.—Translation and Grammar.

German.—Translation and Grammar.

Greek.—Translation and Grammar.

In order to pass, a candidate must make fifty per cent. of marks in each subject.

(3) In communicating with the Registrar, students will please state the optional subject chosen.

If fifty percent. be made in all subjects but one, he may begin study and present himself in that subject alone at the next examination without additional fee.

Candidates failing in more than one subject will be allowed those subjects in which they have passed, but will be required to pay a fee of \$5.00 on presenting themselves for examination in the remaining subjects, and in the meantime may not begin their professional studies.

Certificates will be issued to successful candidates showing the subjects in which they passed, and the extent to which their knowledge of these subjects was tested.

Candidates who have passed the above examination will be admitted without further preliminary examination at all Canadian and American Colleges.

This examination also satisfies the requirements of the General Medical Council of Great Britain as to the preliminary examination, which must be passed by persons wishing to register as medical students.*

It has also been recognized by the Joint Board of Examiners of the Scottish Universities and placed upon their list of examinations accepted as equivalents for the Preliminary in Medicine.*

*In order, however, to be accepted by the General Medical Council, or by the Scottish Universities' Board, Certificates must show that the examination was passed in all subjects at one time.

EXAMINATIONS.

Examinations take place twice each year, viz: On the first Thursday in May and the last Thursday in September.

In May local examinations will be held on application at Sydney, C. B., at Pictou, N. S., and at Yarmouth, N. S. Candidates taking local examinations are required to pay an additional fee of \$2.00.

For copies of previous examination papers (\$1.00 entire set), apply to Registrar, Provincial Medical Board.

EXEMPTIONS.

A certificate of having passed the Matriculation or Preliminary Examination of the N. S. Barristers' Society will exempt from further preliminary examination. The Provincial Medical Board will recognize pro tanto the Matriculation, Sessional and Degree Examinations of any chartered University or College; the examinations for Teachers' Grade A or Grade B License (Nova Scotia); the Preliminary Examination of any Medical Licensing Board authorized by law in Her Majesty's Dominions; the Junior Leaving Examination B of the High School (Nova Scotia Provincial Examination) with 50 per cent. in each subject; the Senior Leaving Examination A of the High School (N. S. Prov. Exam.) with 50 per cent. in each subject.

The Provincial Medical Board will also accept fully or recognize pro tanto such other examinations as may from time to time be similarly recognized by the Councils of Physicians and Surgeons of New Brunswick and of Prince Edward Island.

II. MEDICAL PRACTITIONERS AND THE MEDICAL CURRICULUM.

For some time it has been felt by the Medical Councils in the Maritime Provinces that certain changes were urgently needed in the curriculum prescribed many years ago in the Medical Act of each province, it being no longer in harmony with the methods and scope of teaching now followed or being adopted by the best medical schools and colleges. It was also felt that in making changes it would be most desirable that a uniform standard should be adopted by all the provinces, as in this way a satisfactory basis would be secured for the establishment of reciprocity in registration and practice. A conjoint committee of representatives from New Brunswick, Nova Scotia and P. E. Island having carefully considered the matter submitted a report, providing a uniform curriculum, including the preliminary examination and the subsequent professional course, and recommending that each province should make such alterations in its by-laws or secure such changes in its Medical Act as would allow of the adoption of this uniform standard.

The report, after careful consideration, was adopted by each province without amendment.

The Provincial Medical Board of Nova Scotia, in accordance with the proviso in Section 9 of the "Medical Act" (Chap. 24, Rev. Stat. N. S., 5th Series), decided to make the necessary changes in the curriculum, subject to the approval of the Governor-in-Council.

By an order of the Executive Council of Nova Scotia, passed at Halifax on the 13th day of September, 1895, and approved by His Honor the Lieutenant-Governor, the alterations decided upon by the Provincial Medical Board in the wording of said Section 9, and an amendment made to said section by an Order-in-Council, passed on the 8th day of October, 1891, and approved by His Honor the Lieutenant-Governor, have become law, so that the section shall now read as follows:

Sec. 9. "No person shall be entitled to have his name entered on the Register of the Provincial Medical Board, or to receive a License to practice from such Board unless he shall satisfy the Board that he has passed the matriculation or preliminary examination; that after such examination he has followed the studies during a period of not less than four years; that during such four years he has attended at some University, College or incorporated School of Medicine in good standing, a graded collegiate course of four sessions of not less than six months each, such course to include satisfactory and sufficient lectures and instruction in Anatomy, Practical Anatomy, Chemistry, Practical Chemistry, Physiology, Histology, Materia Medica, Pharmacy, Therapeutics, Surgery, Clinical Surgery, Medicine, Clinical Medicine, Obstetrics, Practical Obstetrics, Diseases of Women and Children, Medical Jurisprudence, Hygiene, Pathology (including Bacteriology), together with evidence of attendance for a period of not less than twelve months upon the general practice of a Hospital, containing not less than fifty beds, under the charge of not less than two physicians or surgeons; that previous to graduation or obtaining a diploma he has passed satisfactory examinations in the subjects of the above curriculum, and that the examinations have been conducted and the diploma granted by a Medical School, College, University or Licensing Body which itself requires a four years' graded course as above appointed, or for want of such degree or diploma has satisfactorily passed an examination in the various branches hereinbefore specified, before examiners to be appointed by the Provincial Medical Board; that he is not less than twenty-one years of age, and that he has paid to the Registrar of the Board a fee of twenty dollars. Provided that the foregoing curriculum and regulations be made compulsory only in the case of persons who have begun the study of Medicine subsequent to January 1st, 1895, and that the Provincial Medical Board shall have power, subject to the approval of the Governor-in-Council, to make such alterations in the same as may from time to time be required."

Medical students and applicants for registration are particularly requested to observe that study under the direction of a licensed practitioner is no longer accepted as constituting an "annus medicus." In all cases evidence must be produced of four complete sessions at College, as specified above.

In cases where the certificates, etc., submitted to the Provincial Medical Board do not fulfill the requirements of Section 9, applicants will be required to complete what is deficient by attending the necessary classes, etc., passing the required examinations and obtaining a diploma, as specified in the above section; or, after fulfilling the curriculum as prescribed, by passing the professional examination before the Examiners appointed by the Provincial Medical Board.

EXAMINATIONS.

Professional examinations will be held once each year at Halifax, beginning on the third Wednesday in June.

Fee for examination, \$30.00, payable in advance. This fee shall not be returned in case of failure.

III. RECIPROCAL REGISTRATION.

The adoption of regulations practically identical to the foregoing by the three Maritime Provinces having secured uniformity in the requirements relating to persons beginning Medical Study, to the Medical Curriculum, to Professional Examinations and Graduation, and to Registration in each Province, Reciprocal Registration has followed

very easily and as a matter of course. It has been further agreed, therefore, between New Brunswick, Nova Scotia, and Prince Edward Island:

1st. That any person registered in one province and wishing to remove to another shall be required to bring from the Registrar of the province he is leaving a certificate showing that he is at that time a legally qualified medical practitioner of such province, and that no charge of a criminal or professional nature is pending against him, and that on presentation of these credentials alone, with proof of identity, an applicant shall be registered on payment of the usual registration fees.

2d. That the privileges of Reciprocal Registration shall be open to all persons whose names may be on the Register of either province at the date of the adoption of the terms of this agreement, as well as to those who shall subsequently be duly registered.

N. B.—Nova Scotia has also secured Reciprocal Registration with the Province of Quebec and with Manitoba.

MEDICAL LAWS OF ONTARIO.

MEDICAL REGISTRATION.

21. The Council shall cause to be kept by an officer appointed by them, and to be called the Registrar, a book or register, in which shall be entered the name of every person registered according to the provisions of this Act, or the Acts mentioned in the third section of this Act, and from time to time the names of all persons who have complied with the enactments hereinafter contained, and with the rules and regulations made, or to be made by the Council, respecting the qualifications to be required from Practitioners of Medicine, Surgery and Midwifery, in this Province; and those persons only whose names are inscribed in the book or register above mentioned, shall be deemed to be qualified and licensed to practice Medicine, Surgery or Midwifery in this Province, except as hereinafter provided; and such book or register shall at all times be open, and subject to inspection by any duly registered Practitioner in Ontario, or by any other person. R. S. O. 1877, c. 142, s. 21.

22. It shall be the duty of the Registrar to keep the register correct and in accordance with the provisions of this Act, and the orders and regulations of the Council, and to erase the names of all registered persons who shall have died, and he shall from time to time make the necessary alterations in the addresses or qualifications of the persons registered under this Act, and to enable the Registrar duly to fulfill the duties imposed upon him, it shall be lawful for the Registrar to write a letter to any registered person, addressed to him according to his address on the register, to enquire whether he has ceased to practice or has changed his residence, and if no answer shall be returned to such letter within the period of six months from the sending of the letter, it shall be lawful to erase the name of such person from the register, provided always that the same shall be restored to the register on compliance with the other provisions of this Act. 54 V., c. 26, s. 9.

23. (1) It shall be optional for the Council to admit to registration all such persons as are duly registered in the Medical Register of Great Britain, or are otherwise authorized to practice Medicine, Surgery and Midwifery in the United Kingdom of Great Britain and Ireland, upon such terms as the Council may deem expedient.

FOUR MORE LANGUAGES.

During the past year "SAUNDERS' MEDICAL HAND-ATLASES" have been translated and published in four more languages: Japanese, Dutch, Roumanian, and Hungarian; so that now this series of books can be had in thirteen different languages or practically every language of the civilized world. (2) Any person who was actually practicing Medicine, Surgery or Midwifery, or any of them in Ontario, prior to the first of January, 1850, and who has attended one course of lectures at any recognized medical school, shall upon such proof as the Council may require, be entitled to registration under this Act.

(3) Any person who was actually practicing Medicine, Surgery or Midwifery, according to the principles of Homœopathy before the first day of January, 1850, and for the six years preceding the 24th day of March, 1874, in Ontario, may, in the discretion of the Representatives of the Homœopathic system of Medicine, be admitted to registration under this Act. R. S. O. 1877, c. 142, s. 23.

24. Every person who possesses any one or more of the Qualifications described in Schedule B to this Act, dated prior to the 23d day of July, 1870, shall on payment of a fee to be fixed by by-law of the Council, not exceeding ten dollars, be entitled to be registered, on producing to the Registrar the document conferring or evidencing the qualification, or each of the qualifications in respect whereof he seeks to be so registered, or upon transmitting by post to the Registrar information of his name and address, and evidence of the qualification or qualifications in respect whereof he seeks to be registered, and of the time or times at which the same was or were respectively attained; but no one registered under the Acts mentioned in Section 3 of this Act shall be liable to pay any fee for being registered under this Act. R. S. O. 1877, c. 142, s. 24.

25. Every person desirous of being registered under the provisions of this Act, and who had not become possessed of any one of the qualifications in Schedule B mentioned, before the 23d day of July, 1870, shall, before being entitled to registration, present himself for examination as to his knowledge and skill for the efficient practice of his profession, before the Board of Examiners, mentioned in Section 28, and upon passing the examination required, and proving to the satisfaction of the Board of Examiners that he has complied with the rules and regulations made by the Council, and on the payment of such fees as the Council may by general by-laws establish, such person shall be entitled to be registered, and in virtue of such registration, to practice Medicine, Surgery and Midwifery in this Province. R. S. O. 1877, c. 142, s. 25.

26. When and as soon as it appears that there has been established a "Central Examining Board," similar to that constituted by this Act, or an institution duly recognized by the Legislature of any of the Provinces forming the Dominion of Canada, other than Ontario, as the sole examining body for the purpose of granting Certificates of Qualification, and wherein the Curriculum is equal to that established in Ontario, the holder of any such Certificate shall, upon due proof, be entitled to registration by the Council of Ontario, if the same privilege is accorded by such Examining Board or Institution to those holding certificates in Ontario. R. S. O. 1877, c. 142, s. 26.

27. Each member of the College shall pay to the Registrar, or to any person deputed by the Registrar to receive it, such annual fee as may be determined by by-law of the Council, not being less than one nor more than two dollars, toward the general expenses of the College, which last-mentioned fee shall be payable on the first day of January in the year in which same is imposed; and such fee shall be deemed to be a debt due by each member to the College, and shall be recoverable with costs of suit in the name of the College of Physicians and Surgeons of Ontario, in the Division Court where the member resides. R. S. O. 1877, c. 142, s. 27.

28. At the annual meeting of the Council in each year, there shall be elected by the members of the Council a "Board of Examiners," whose duty it shall be to examine at least once in each year all candidates for registration in accordance with the by-laws, rules and regulations of the Council; such examinations to be held at Toronto or Kingston at such times and in such manner as the Council may by by-law direct. R. S. O. 1877, c. 142, s. 28.

29. The Board of Examiners appointed under the preceding section shall be composed as follows: One member from each of the teaching bodies now existing, referred to in Section 6 of this Act, and one from every other School of Medicine which may be hereafter organized in connection with any university or college which is empowered by law to grant Medical or Surgical Diplomas, and a number not exceeding five members to be chosen from among those members of the College of Physicians and Surgeons of Ontario, who are unconnected with any of the above teaching bodies. R. S. O. 1877, c. 142, s. 29.

30. Every candidate who, at the time of his examination, signifies his wish to be registered as a Homœopathic Practitioner, shall not be required to pass an examination in either Materia Medica, or Therapeutics, or in the Theory or Practice of Physic, or in Surgery or Midwifery, except the operative practical parts thereof, before any examiners other than those approved of by the representatives in the Council of the Homœopathic system. R. S. O. 1877, c. 142, s. 30.

31. The Council shall from time to time, as occasion may require, make Orders, Regulations or By-laws for regulating the registers to be kept under this Act, and the fees to be paid for registration, and shall from time to time make Rules and Regulations for the guidance of the Board of Examiners, and may prescribe the subjects and modes of examinations, the time and place of holding the same, and generally may make all such rules and regulations in respect to such examinations not contrary to the provisions of this Act, as they may deem expedient and necessary. R. S. O. 1877, c. 142, s. 31.

32. Every person registered under this Act who obtains any higher degree or any qualification other than the qualification in respect of which he has been registered, shall, on the payment of such fees as the Council may appoint, be entitled to have such higher degree or additional qualification inserted in the register in substitution for, or in addition to, the qualification previously registered. R. S. O. 1877, c. 142, s. 32.

33. (1) No qualification shall be entered on the register either on the first registration or by way of an addition to a registered name, unless the Registrar is satisfied by proper evidence that the person claiming is entitled to it; and any appeal from the decision of the Registrar may be decided by the Council, and any entry proved to the satisfaction of the Council to have been fraudulently or incorrectly made, may be erased from the register by an order in writing of the Council.

(2) In the event of the Registrar being dissatisfied with the evidence adduced by the person claiming to be registered, he shall have the power, subject to an appeal to the Council, of refusing registration until the person claiming to be registered has furnished such evidence duly attested by oath or affirmation, before the Judge of the County Court of any County. R. S. O. 1877, c. 142, s. 33.

34. (1) Where any registered Medical Practitioner has either before or after the passing of this Act, and either before or after he is so registered, been convicted either in Her Majesty's dominions or elsewhere of an offense which, if committed in Canada, would be a felony or misdemeanor, or been guilty of any infamous or disgraceful conduct in a professional respect, such practitioner shall be liable to have his name erased from the register.

(2) The Council may, and upon the application of any four registered medical practitioners, shall cause inquiry to be made into the case of a person alleged to be liable to have his name erased under this section, and on proof of such conviction or of such infamous or disgraceful conduct, shall cause the name of such person to be erased from the register; provided, that the name of a person shall not be erased under this section on account of his adopting, or refraining from adopting, the practice of any particular theory of medicine or surgery, nor on account of a conviction for a political offense out of Her Majesty's dominions, nor on account of a conviction of an offense which, though within the provisions of this section, ought not, either from the trivial nature of the offense, or from the circumstances under which it was committed, to disqualify a person from practicing medicine or surgery.

(3) The Council may order to be paid out of any funds at their disposal such costs as to them may seem just to any person against whom any complaint has been made, which, when finally determined, is found to have been frivolous and vexatious. 50 Vic., c. 24, s. 3.

35. (1) Where the Council direct the erasure from the register of the name of any person, or of any other entry, the name of that person or that entry shall not be again entered in the register except by the direction of the Council, or by the order of any of the divisions of the High Court of Justice.

(2) If the Council think fit in any case they may direct the Registrar to restore to the register any name or entry erased therefrom, either without fees or on payment of such fee, not exceeding the registration fee, as the Council may, from time to time, fix, and the Registrar shall restore the same accordingly. 50 Vic., c. 24, s. 4. 54 Vic., c. 26, s. 3.

36. (1) The Council shall, for the purpose of exercising in any case the powers of erasing from and of restoring to the register the name of a person or any entry, ascertain the facts of such case by a committee of their own body not exceeding five in number, of whom the quorum shall be not less than three, and a written report of the Committee may be acted upon for the purpose of the exercise of the said powers by the Council.

(2) The Council shall, from time to time, appoint, and shall always maintain, a committee for the purposes of this section, and subject to the provisions of this section may, from time to time, determine the constitution and the number and tenure of office of the members of the Committee.

(3) The committee shall meet, from time to time, for the despatch of business, and subject to the provisions of this section, and of any regulations from time to time made by the Council may regulate the summoning notice, place, management and adjournment of such meetings, the appointment of a chairman, the mode of deciding questions, and generally the transaction and management of business, including the quorum, and if there is a quorum the Committee may act, notwithstanding any vacancy in their body. In case of any vacancy the Committee may appoint a member of the Council to fill the vacancy until the next meeting of the Council.

(4) A committee under this section may, for the purpose of the execution of their duties under this Act, employ, at the expense of the Council, such legal or other assessor or assistant as the committee may think necessary or proper; and the person whose conduct is the subject of enquiry shall also have the right to be represented by counsel; provided that all meetings of any such committee when held for taking evidence or otherwise ascertaining the facts shall be held within the county where the member complained of resides or the alleged offense has been committed.

(5) At least two weeks before the first meeting of the Committee to be held for taking the evidence or otherwise ascertaining the facts, a notice shall be served upon the person whose conduct is the subject of enquiry, and such notice shall embody a copy of the charges made against him or a statement of the subject matter of the enquiry, and shall also specify the time and place of such meeting; the testimony of witnesses shall be taken under oath, which the chairman or acting chairman of the Committee is hereby authorized to administer, and there shall be full right to cross-examine all witnesses called and to call evidence in defense and reply; in the event of the non-attendance of the person whose conduct is the subject of such inquiry, the Committee may, upon proof of personal service of the notice aforesaid in accordance with the provisions of this section, which proof of service may be by statutory declaration, proceed with the subject matter of the enquiry in his absence and make their report of the facts without further notice to such person. 50 V., c. 24, s. 5. 54 V., c. 26, s. 4.

37. No action shall be brought against the Council or the Committee for anything done bona fide under this Act, notwithstanding any want of form in the proceedings, but any person whose name has been ordered to be erased from the register may appeal from the decision of the Council to any Division of the High Court of Justice for Ontario at any time within six months from the date of the order for such erasure, and such Judge may, upon the hearing of such appeal, make such order as to the restoration of the name so erased or confirming such erasure, or for further enquiries by the Committee or Council into the facts of the case, and as to costs, as to such Judge shall seem right in the premises. 50 V., c. 24, s. 6. 54 V., c. 26, s. 5.

38. The appeal may be by summons served upon the Registrar to show cause, and shall be founded upon a copy of the proceedings before the Committee—the evidence taken, the committee's report and the order of the Council in the matter—certified by the Registrar, and the Registrar shall, upon the request of any person desiring to appeal, furnish to any such person a certified copy of all proceedings, reports, orders and papers, upon which the Committee have acted in making the order complained of upon payment of the sum of five cents per folio. 50 V. C., 24, s. 7, 54 V., c. 26, s. 6.

38 (a) Upon any inquiry under Section 34 of this Act, either party may without leave or order obtain and issue from and out of any Division of the High Court of Justice for Ontario a subpoena commanding the attendance and examination of any witness and also the production of any documents, production of which could be compelled at a trial, to and before the Committee and at the time and place mentioned in the subpoena, and disobedience to the subpoena shall be deemed a contempt of court, but the person whose attendance is required shall be entitled to the like conduct money and payment of expenses and for loss of time as for and upon attendance at a trial. 54 V. C. 26, s. 7.

38. (b) In case of the erasure of a name under the preceding provisions of this Act, the Council may direct the costs of and incidental to such erasure to be paid by the party whose name has been directed to be erased, which costs shall first be taxed by one of the taxing officers of the High Court, upon whose certificate execution may issue for the collection of such costs by the college, out of any of the Divisions of the High Court, as upon a judgment in an action in such court. 50 V., c. 26, s. 7.

RIGHTS OF REGISTERED PRACTITIONERS.

39. Every person registered under the provisions of this Act shall be entitled according to his Qualification or Qualifications to practice Medicine, Surgery or Midwifery, or any of them, as the case may be, in the Province of Ontario, and to demand and recover in any Court, with full costs of suit, reasonable charges for professional aid, advice and visits and the cost of any medicine or other medical or surgical appliances rendered or supplied by him to his patients. R. S. O. 1877, c. 142, s. 35.

40. No duly registered member of the College of Physicians and Surgeons of Ontario shall be liable in any action for negligence or mal-practice, by reason of professional services, requested or rendered, unless such action be commenced within one year from the date when in the matter complained of such professional services terminated. 50 V., c. 24, s. 2.

PUBLICATION OF REGISTER.

41. (1) The Registrar of the Council shall from time to time, under the direction of the Council, cause to be printed and published a correct Register of the names in alphabetical order according to their surnames, with the respective residences in the form set forth in schedule C of this Act, or to the like effect, together with the medical Titles, Diplomas, and Qualifications conferred by any College or body with the dates thereof, of all persons appearing on the Register as existing on the day of publication; and such Register shall be called "The Ontario Medical Register," and a copy of such Register for the time being purporting to be so printed and published as aforesaid, shall be prima facie evidence in all Courts, and before all Justices of the Peace, and others, that the persons therein specified are registered according to the provisions of this Act, and subject to the provisions of sub-section 2 of this section. The absence of the name of any person from such copy shall be prima facie evidence that such person is not registered according to the provisions of this act.

(2) In the case of any person whose name does not appear in such copy, a certified copy under the hand of the Registrar of the Council, of the entry of the name of such person on the register shall be evidence that such person is registered under the provisions of this Act. R. S. O. 1877, c. 142, s. 36.

41a. (1) Every registered medical practitioner shall obtain from the Registrar, annually, before the last day of December in each year, a certificate under the seal of the College, that he is a duly registered medical practitioner.

(2) Upon payment of all fees and dues payable by such medical practitioner to the said College, the Registrar shall write his name on the margin of the certificate and the date thereof, and the certificate shall be deemed to be issued only from such date, provided, nevertheless, that any fees properly charged during the time in which any practitioner's name was erased from the register, under this Act, shall be legally recoverable upon the production of the certificate of registration at the time of suit.

(3) No certificate shall be issued to any practitioner who is indebted to the College for any sums payable to the College, nor until the annual fee for such certificate prescribed by the statute and the by-laws of the College is paid.

(4) If a practitioner omits to take out such annual certificate he shall not be entitled thereto until he pays to the College the certificate fee as aforesaid, together with any other fees or dues which he owes to the College.

(5) After twelve months' default in taking out such certificate, and if two months' notice of such default be given by registered letter addressed to the registered address

of such defaulter, the Registrar shall, if payment has not been made by the defaulter, erase the name of the medical practitioner so in default from the register, and the provisions of this Act as to unregistered medical practitioners shall forthwith apply.

(6) Such medical practitioner may, unless otherwise disqualified under this Act, at any time after his name is so erased by the Registrar, obtain re-registration by applying to the Registrar and paying up the fees and dues due the College, under this Act, and taking out of his certificate as herein provided, and be thereupon reinstated to the full privileges enjoyed by other registered medical practitioners under this act. 54 V., c. 26, s. 8.

OFFENCES AND PENALTIES.

42. Any person entitled to be registered under this Act, but who neglects or omits to be so registered, shall not be entitled to any of the rights or privileges conferred by registration under the provisions of this Act so long as such neglect or omission continues, and he shall be liable to all the penalties imposed by this Act, or by any other Act in force against unqualified or unregistered practitioners. R. S. O. 1877, c. 142, s. 37.

43. If the Registrar makes or causes to be made any wilful falsification in any matter relating to the Register, he shall incur a penalty of fifty dollars, and shall be disqualified from again holding that position. R. S. O. 1877, c. 142, s. 38.

44. (1) If any person procures or causes to be procured his registration under this Act, by means of any false or fraudulent representation or declaration, either verbally or in writing, it shall be lawful for the Registrar, upon the receipt of sufficient evidence of the falsity or fraudulent character of such representation or declaration, to represent the matter to the Council, and upon the written order of the President, attested by the seal of the College, to erase the names of such persons from the register, and to make known the fact and cause of such erasure by notice to be published in the Ontario Gazette; and after such notice has appeared the person whose name has been erased as aforesaid shall cease to be a member of the College of Physicians and Surgeons of Ontario, and shall cease to enjoy any of the privileges conferred by registration under this Act at any future time, without the express sanction of the Council.

(2) If any person wilfully procures or attempts to procure himself to be registered under this Act, by making any false or fraudulent representation or declaration, either verbally or in writing, he shall on conviction thereof before any Justice of the Peace incur a penalty not exceeding one hundred dollars; and every person knowingly aiding and assisting him therein shall, on conviction thereof, incur a penalty of not less than twenty nor more than fifty dollars for each such offense. R. S. O. 1877, c. 142, s. 39.

45. It shall not be lawful for any person not registered to practice Medicine, Surgery, or Midwifery for hire, gain, or hope of reward, and if any person not registered pursuant to this Act for hire, gain, or hope of reward practices or professes to practice Medicine, Surgery, or Midwifery, or advertise to give advice in Medicine, Surgery or Midwifery, he shall, upon a summary conviction thereof before any Justice of the Peace for each and every such offense, pay a penalty not exceeding one hundred dollars nor less than twenty-five dollars. R. S. O. 1877, c. 142, s. 40.

46. Any person who wilfully or falsely pretends to be a Physician, Doctor of Medicine, Surgeon, or General Practitioner, or assumes any title, addition, or description other than he actually possesses and is legally entitled to, shall be liable on conviction thereof before a Justice of the Peace to a penalty not exceeding fifty dollars, nor less than ten dollars. R. S. O. 1877, c. 142, s. 41.

47. Any person not registered pursuant to this Act who takes or uses any name, title, addition, or description implying or calculated to lead people to infer that he is registered under this Act, or that he is recognized by law as a Physician, Surgeon, Accoucheur, or a Licentiate in Medicine, Surgery, or Midwifery, shall be liable upon a summary conviction thereof before any Justice of the Peace to pay any penalty not exceeding one hundred dollars, nor less than twenty-five dollars. R. S. O. 1877, c. 142, s. 42.

48. No person shall be entitled to recover any charge in any Court of Law for any Medical or Surgical advice, or for attendance, or for the performance of any operation, or for any medicine which he may have prescribed or supplied, unless he produces to the Court a certificate that he is registered under this Act; but this Section shall not extend to the sale of any drug or medicine by any duly licensed Chemist or Druggist. R. S. O. 1877, c. 142, s. 43. 54 V., c. 26, s. 2.

49. No person shall be appointed as Medical Officer, Physician, or Surgeon in any branch of the public service of this Province, or in any Hospital or other charitable institution not supported wholly by voluntary contributions, unless he is registered under the provisions of this Act. R. S. O. 1877, c. 142, s. 44.

50. No certificate required by any Act now in force, or that may hereafter be passed, from any Physician or Surgeon or Medical Practitioner, shall be valid unless the person signing the same is registered under this Act. R. S. O. 1877, c. 142, s. 45.

51. Any prosecution under this Act may be brought or heard before any one or more of Her Majesty's Justices of the Peace having jurisdiction where any such offense has been committed; and the Justice or Justices may award payment of costs in addition to the penalty; and in case the penalty or costs awarded by him or them are not, upon conviction, forthwith paid, may commit the offender to the common jail, there to be imprisoned for any term not exceeding one month, unless the penalty and costs are sooner paid. R. S. O. 1877, c. 142, s. 46.

52. Any person convicted under this Act, who gives notice of appeal against the decision of the convicting Justice, shall be required before being released from custody to

give to the said Justice satisfactory security for the amount of the penalty, costs of conviction, and appeal. R. S. O. 1877, c. 142, s. 48.

53. In any trial under this Act the burden of proof as to registration shall be upon the person charged. R. S. O. 1877, c. 142, s. 49.

54. In all cases where proof of registration shall under this Act is required to be made, the production of a printed or other copy of the Register, certified under the hand of the Registrar of the Council for the time being, shall be sufficient evidence of all persons who are registered Practitioners, in lieu of the production of the original register; and any certificate upon such printed or other copy of the register, purporting to be signed by any person in his capacity of Registrar of the Council under this Act shall be prima facie evidence that such person is the Registrar without any proof of the signature or of his being in fact the Registrar. R. S. O. 1877, c. 142, s. 50.

55. Every prosecution under this Act shall be commenced within one year from date of the alleged offense. R. S. O. 1877, c. 142, s. 51.

56. The Council by an order signed by the President having the seal of the Council appended there to, may stay proceedings in any prosecution under this Act where it is deemed expedient. R. S. O. 1877, c. 142, s. 52.

57. (1) All penalties recoverable under this Act shall be paid to the convicting Justice, and by him be paid to the Registrar of the College, and shall form part of the funds thereof.

(2) Any person may be prosecutor or complainant under this Act, and the Council may allot such portion of the penalties recovered as may be expedient towards the payment of such prosecutor. R. S. O. 1877, c. 142, s. 53.

58. All moneys forming part of the Council funds shall be paid to the Treasurer, and may be applied to carry this Act into execution. R. S. O. 1877, c. 142, s. 54.

MEDICAL LAWS OF PRINCE EDWARD ISLAND.

AN ACT RESPECTING THE PROFESSION OF MEDICINE AND SURGERY. (ASSENTED TO 19TH MAY, 1899.)

Be it enacted by the Lieutenant Governor and Legislative Assembly of the Province of Prince Edward Island, as follows:

1. (a) This act may be cited as the "Prince Edward Island Medical Act."

(b) In this act, unless the context otherwise requires, the "Council" means the Medical Council; the "Society" means the Medical Society of Prince Edward Island, and the "Registrar" means the Registrar of the Medical Council; also the word "medicine" shall include surgery and midwifery.

(c) In this act, or in any other act of the Legislature, or legal public document, the words "qualified medical practitioner," or any other words importing a person recognized by law as a medical practitioner, or member of the medical profession, shall be construed to mean a person registered under this act.

2. The members of the medical profession of Prince Edward Island shall be, and shall be deemed to have been from its first establishment, a body corporate under the name and style of the "Medical Society of Prince Edward Island," having perpetual succession and a common seal, with power to acquire, hold and dispose of chattel property and real estate, for the purposes of this act, and to sue and be sued in the manner usual with such corporations.

3. Every person registered under the provisions of the "Medical Act, 1892," and the act to amend the same, shall be a member of the Society, and shall be entitled to be registered under this act without payment of any fee therefor; and every person hereafter registered under the provisions of this act shall also be a member of the Society.

4. There shall be a Council of the said Society composed of seven members, to be elected as hereinafter provided, from amongst and by the registered members of the Society.

(1) All members of the Council shall be practitioners duly registered under this act, and shall be residents of this Province, and any member who, during the term for which he was elected, ceases to reside in the Province shall thereby vacate his office as such member.

(2) The members of the Council shall be elected for a period of one year, and such election shall be by ballot at the general annual meeting, but any member may resign at any time by letter addressed to the President or Registrar of the Council, and upon the death or resignation of an officer or member of the Council, the remaining members may fill such vacancy.

(3) The Council may make rules and regulations as to the times and places of meetings of the Council, and the mode of summoning the same.

(4) All the acts of the Council shall be decided by the majority of members present, not being less than four in number, and the President for the time being shall have the casting vote.

5. General annual meetings of the Society shall be held at such times and places as the Society shall by by-law determine. Special meetings may be called from time to time in such manner as may be provided for by a by-law.

6. The Council shall annually appoint a President, Vice-President, Registrar and such other officers as may from time to time be necessary for giving effect to this act.

7. The Council shall cause to be kept by the Registrar a book or register, in which shall be entered the name of every person registered, according to the provisions of this act, and from time to time the names of all persons who shall have complied with the enactments hereinafter contained, and with the rules and regulations made or to be made by the Council, respecting the qualifications to be required from practitioners of medicine in the Province, which book or register shall be called the "Prince Edward Island Medical Register," and those persons only whose names are inscribed in the book or register above mentioned shall be deemed to be qualified and licensed to practice medicine in this Province, except as hereinafter provided, and such book or register shall at all times be open and subject to inspection by any person.

8. It shall be the duty of the Registrar to keep his register correct, in accordance with the provisions of this act, and the rules, orders and regulations of the Council, and he shall from time to time make the necessary alterations in the addresses or qualifications of the persons registered under this act, and the said Registrar shall perform such other duties as may be imposed upon him by the Council; and should he wilfully neglect or refuse to do so, he shall incur a penalty of ten dollars, and shall be disqualified from again holding that position.

9. The Council shall admit to registration, upon payment of the required fee, all such persons as are duly registered by the General Medical Council of Great Britain.

10. Subject to the exceptions made in this act, no person shall be entitled to have his name entered on the Medical Register, unless he produces evidence satisfactory to the Council.

(a) That he has passed a preliminary or matriculation examination upon the subjects specified in the by-laws of the Council, and had his name registered in the Medical Students' Register; also,

(b) That, after such examination and registration, he has pursued his professional studies during a period of not less than four years; also,

(c) That during the said four years he has attended at a university, college or incorporated school of medicine, in good standing, a graded collegiate course of four sessions, each session to be of such duration, and the entire course to include sufficient and satisfactory lectures and instruction in medicine, surgery and midwifery, together with such attendance upon the general practice of a hospital, as the by-laws of the Council shall require; also,

(d) That he has satisfactorily passed an examination in the various branches of professional studies, specified in the by-laws of the Council, before professional examiners appointed by the Council; and, upon passing the examination required, and on payment of the fee for such examination, also the fee for registration, which fees shall be fixed by the by-laws of the Society, he shall be entitled to registration. Provided, that any person holding the degree of B. A. from any university in Her Majesty's dominions, or any person holding a teacher's license of the first class of this Province, shall not be required to pass the matriculation examination.

11. The Council shall cause to be kept by the Registrar a book or register to be called the "Medical Students' Register," in which shall be entered the names of all who have passed the said matriculation examination, together with the date of registration, and such other particulars in regard thereto as may be by the Council deemed necessary or expedient. A fee of two dollars shall be paid for such registration and a certificate thereof.

12. When and so soon as it appears that there has been established an examining body similar to that constituted by this act, or an institution duly recognized by the Legislature of any of the Provinces of the Dominion of Canada, other than Prince Edward Island, as the sole examining body for the purpose of granting certificates of qualification, and wherein the curriculum is equal to that approved of by the Medical Council of the Province of Prince Edward Island, the holder of any such certificate shall, upon due proof, be entitled to registration by the Council of Prince Edward Island, if the same privilege is accorded in such other Province to those registered in Prince Edward Island.

13. At each annual meeting of the Society it shall be the duty of the Council to lay before the Society a statement of all moneys received, and the mode of expenditure; also of the amount of money likely to be required during the ensuing year, how it is proposed to raise, and to expend this money, and the Council shall be governed herein by a vote of the Society. The Council shall have power to levy an annual fee upon the members of the Society, but no fees levied on the members of the Society shall exceed five dollars yearly on each member, and all fees shall be payable to the Registrar on the first day of July in each year, and such fee shall be deemed a debt due by each member of the Society, and shall be recoverable with costs in the name of the Society, in any court of competent jurisdiction.

14. Every person registered under this act, who obtains any higher degree or any qualification other than that in respect of which he has been registered, shall, on the payment of such fees as the Council may appoint, be entitled to have such higher degree or additional qualification inserted on the register in substitution for or in addition to the qualification previously registered.

15. No qualification shall be entered on the register, either on the first registration or by way of addition to a registered name, unless the Registrar is satisfied by proper evidence that the person claiming is entitled to be registered, and any appeal from the decision of the Registrar may be decided by the Council, and any name proved to the satisfaction of the Council to have been fraudulently or incorrectly entered may be erased from the register by an order in writing of the Council.

16. In the event of the Registrar being dissatisfied with the evidence adduced by any person claiming to be registered, he shall have the power, subject to an appeal to the Council, of refusing registration until the person claiming to be registered has furnished evidence to the satisfaction of the Registrar, duly attested by oath or affirmation before a notary public or justice of the peace.

17. Where any medical practitioner has been guilty of any infamous or disgraceful conduct in a professional respect, such practitioner shall be liable to have his name erased from the register, and if such a practitioner applies for registration the Council shall have power to refuse such registration. The Council shall, upon the application in writing of any three registered practitioners, specifying the cause or causes of complaint, cause inquiry to be made into the case of a person alleged to be liable to have his name erased from the register on account of infamous or unprofessional conduct. No action shall be brought against the Council for anything done bona fide under this section for want of form.

18. It shall be lawful for the Registrar, upon the order of the Council, to publish a notice in any newspaper or newspapers published in Prince Edward Island, stating the fact that the name of any person has been erased from the register under the provisions of the last preceding section, and the cause of such erasure; provided, that if such person has appealed within the time allowed for an appeal under this act, no such notice shall be published until such appeal has been disposed of. It shall also be lawful for the Registrar, upon the order of the Council, to publish in any newspaper or newspapers published in Prince Edward Island the name or names of any person or persons unlawfully practicing medicine in this Province without registration.

19. Where the Council refuses to register any person, or direct the erasure from the register of the name of any person or of any other entry, the name of that person or that entry shall not be again entered on the register, except by the direction of the Council, or by the order of the Supreme Court, or a judge thereof.

20. At least five days before any meeting of the Council to be held for the purpose of hearing any application under Section 17, notice shall be served upon the person whose

conduct is the subject of inquiry, and such notice shall embody a copy of the charges made against him, or a statement of the subject matter of the inquiry, and shall also specify the time and place of such meeting. The Council shall have the right to examine the witnesses on oath, which the President or acting President is hereby authorized to administer; as also to receive the affidavits or solemn declarations of persons residing out of this Province, sworn to or made before any notary public. In the event of the non-attendance of the person whose conduct is the subject of such inquiry, the Council may, upon proof of the personal service of the notice aforesaid, in accordance with the provisions of this section, which proof may be by solemn statutory declaration, proceed with the subject matter of the enquiry in his absence, and determine the same.

21. Every person licensed or registered under the provisions of this act shall be entitled, according to his qualification or qualifications, to practice medicine, surgery and midwifery, or any of them, as the case may be, in the Province of Prince Edward Island, and to demand and recover in any court, with costs of suit, reasonable charges for professional aid, advice and visits, and the costs of any medicine or other medical or surgical appliances, rendered or supplied by him to his patients.

22. No person registered under the provisions of this act shall be liable to any civil action for negligence or malpractice, by reason of professional services, requested or rendered, unless such action be commenced within twelve months from the date, when, in the matter complained of, such professional services terminated.

23. (1) The Registrar of the Council shall, under the direction of the Council, cause to be printed and published once in two years a correct copy of the register, containing the names of all persons registered, in alphabetical order, according to the surnames, with the respective residences, together with the medical titles, diplomas and qualifications conferred by any college or body, with the dates thereof, as existing on the day of publication; and a copy of such register for the time being, purporting to be so printed and published as aforesaid, shall be prima facie evidence in all courts and before all justices of the peace that the persons therein specified are registered according to the provisions of this act, and subject to the provisions of Sub-section Two of this section; the absence of the name of any person from such copy shall be prima facie evidence that such person is not registered according to the provisions of this act.

(2) In the case of any person whose name does not appear in such copy, a certified copy, under the hand of the Registrar, of the entry of the name of such person on the register, shall be evidence that such person is registered under the provisions of this act.

24. (1) If any person procures or causes to be procured his registration under this act, by means of any false or fraudulent representation or declaration, either verbal or in writing, it shall be lawful for the Registrar, upon receipt of sufficient evidence of the falsity or fraudulent character of such representation or declaration, to represent the matter to the Council, and, upon the written order of the President, attested by the seal of the Society, to erase the name of such person from the register, and to make known the fact and the cause of the erasure, by notice to be published in any newspaper or newspapers published in Prince Edward Island, and after such notice has appeared the person whose name has been erased shall cease to be a member of the Society, and shall cease to enjoy any of the privileges conferred by registration under this act, and shall not be entitled to enjoy the same at any future time without the express sanction of the Council.

(2) If any person wilfully procures or attempts to procure himself to be registered under this act, by making any false or fraudulent representation or declaration, either verbal or in writing, he shall, on conviction thereof before any justice of the peace or stipendiary magistrate, incur a penalty not exceeding fifty dollars; and every person knowingly aiding and assisting him therein shall, for such offense, on conviction thereof, incur a penalty of not less than ten dollars nor more than twenty-five dollars for each offense.

25. It shall not be lawful for any person not registered (or licensed) under this act to practice medicine, surgery or midwifery, for hire, gain or hope of rewards, and if any person not registered or licensed pursuant to this act, for hire, gain or hope of reward, practices or professes to practice medicine, surgery or midwifery, or advertises in any manner or by any means whatsoever, to give advice in medicine, surgery or midwifery, he shall, upon a summary conviction thereof before any stipendiary magistrate or two justices of the peace for any and every such offense, pay a penalty not exceeding twenty-five dollars.

26. Any person who wilfully or falsely pretends to be a physician, doctor of medicine, surgeon or general practitioner, or assumes any title, addition or description other than he actually possesses and is legally entitled to, or that he is recognized by law as a physician, accoucheur or a licentiate in medicine, surgery or midwifery, shall be liable, upon a summary conviction thereof before any stipendiary magistrate or two justices of the peace, to a penalty not exceeding twenty-five dollars.

27. No person shall be entitled to recover any charge in any court of law for any medical or surgical advice or attendance, or for the performance of any surgical operation, or for any medicine which he may have prescribed or supplied, unless he is registered, licensed or otherwise authorized under this act. But this section shall not extend to the sale of any drug or medicine by any storekeeper, chemist or druggist.

28. No person shall be appointed as a medical officer, physician or surgeon in any branch of the public service in this Province, or in any hospital or other charitable institution, unless he is registered under the provisions of this act; and no certificate required by any act now in force, or hereafter to be passed, from any physician, surgeon or medical practitioner shall be valid unless the person granting or signing the same is registered under this act.

29. Any prosecution under this act may be brought or heard before any stipendiary magistrate, or before two or more justices of the peace, having jurisdiction where any such offense has been committed, and the stipendiary magistrate or justices may award payment of costs in addition to the penalty; and in case the penalty and costs awarded by him or them are not, upon conviction, forthwith paid, may commit the offender to the common jail, there to be imprisoned for any term not exceeding one month, unless the penalty and costs are sooner paid.

30. Any person convicted under this act, who gives notice of appeal against the decision of the convicting stipendiary magistrate or justices, shall be required, before being released from custody, to give to the stipendiary magistrate or justices satisfactory security for the amount of the penalty, costs of conviction and appeal.

31. Every prosecution under this act shall be commenced within six months from the date of the alleged offense.

32. (1) All penalties recovered under this act shall be paid to the convicting stipendiary magistrate or justices, and by him or them paid to the Registrar, and shall form part of the funds of the council.

(2) Any person may be prosecutor or complainant under this act, and the Council may allot such portion of the penalties recovered as may be expedient towards the payment of such prosecutor.

33. Any person aggrieved by the decision of the Registrar in any matter under the provisions of the act shall have the right to appeal to the Council, which appeal shall be heard by the Council within one month of the service of the notice of appeal; and any person aggrieved by any decision of the Council shall have the right to appeal to the Supreme Court of this Province, which appeal shall be final. An appeal from the Registrar to the Council may be by a written notice, to be served on the Registrar within ten days after the decision appealed from is made. The appeal from any decision of the Council to the Supreme Court shall be by summons signed by any judge of that Court, which must be issued within ten days after the making of the decision appealed from, and must be served upon the Registrar or President of the Council within ten days of the granting of the summons: Provided, always, that no such summons shall be granted, unless and until the party appealing shall have given security to the satisfaction of the judge granting the same for the payment of the costs of such appeal. The costs of such appeal shall be in the discretion of the judge hearing the appeal.

34. It shall be lawful for the Council to re-hear any case decided by them upon the production of new and reliable evidence by the party applying for such re-hearing.

35. The majority present at the annual meetings, or at any special meeting of the Society, called for that purpose, may make such regulations and by-laws as they consider not contrary to the provisions of this act for carrying out the purposes of the same, such by-laws and all by-laws made by the Council to be submitted for the approval of the Lieutenant Governor, in Council, before such by-laws shall have any force or effect. Provided, always, that nothing in this act or such regulations or by-laws shall be construed to prevent any medical practitioner who may be registered as aforesaid from giving medical treatment or advice to any person by reason of such person having previously engaged the services of any other physician.

36. The majority of the Council, at any meeting of the Council, may make by-laws, rules and regulations, and from time to time repeal, alter and amend the same, respecting the following subjects: Rules of order; the mode of calling meetings of the Council; the number to constitute a quorum of the Council; the duties of the Council's officials; the holding of examinations under Section Ten of this act, and the subjects of such examinations; the fees to be charged for the examinations and the fee for registration; the appointment of properly qualified persons to conduct the examinations; decide upon the times and places for holding such examinations and fix the remuneration, if any, to be paid to such examiners; the government of the Council's officials and employees, and all such other matters as may be found necessary for the carrying out of the provisions of this act. And all by-laws of the Council made under this act must be approved by the Society at a general meeting thereof before coming into force, and all official acts of the Council which concern the medical profession shall be subject to an inquiry by the Society, which shall have power to alter or reverse the same as it may deem fit.

37. Nothing in this act shall prevent any person from giving necessary medical or surgical aid or attendance to any person in urgent need of it; provided, that such aid or attendance is not given for hire, or gain, nor the giving of it made a business or way of gaining a livelihood by such person; and nothing in this act shall be construed to prevent any women from practicing midwifery, or to prevent any person from practicing dentistry, or treating cases of cancer by external application, and to charge for such services and to sue for and recover reasonable charges in a court of law, or to prevent any druggist, apothecary or storekeeper from suing for and recovering the price of any drugs or chemicals supplied by him.

38. Nothing in this act shall prevent any person not holding a medical degree, license or diploma from any university or college, from practicing medicine, providing such person has been engaged in such practice in this Province for twelve years immediately before the passing of this act, or from demanding and recovering in any court of law, with costs of suit, reasonable charges for professional aid, advice and visits, and the cost of any medicine or other medical or surgical appliances rendered or supplied by him to his patients.

39. Any person aggrieved by the decision of any stipendiary magistrate, or of any justice or justices of the peace, shall have the right to appeal to the Supreme Court of this Island, the procedure in such appeals to be the same as that which now prevails in appeals from judgment of or convictions before such stipendiary magistrates, or justice or justices of the peace in similar cases.

40. The Council shall have power to establish, conjointly with the council or councils of any college or colleges of physicians and surgeons, incorporated under any act of the Legislature of any Province in Canada or of the North-West Territories, and possessing powers similar to these conferred upon the Council by this act, a central examining board, and to delegate to such central examining board all the powers possessed by the Council respecting the examination of candidates for admission to practice medicine, surgery and midwifery; provided, that such powers shall not be exercised unless the persons passing any examination of such central examining board shall, on complying with the laws and rules of the respective councils or boards in each such Province, or in the said North-West Territories, be entitled to registration as legally qualified practitioners in the Provinces or Territories whose councils or boards may have conjointly with the Council established such central examining board; provided, further, that any examinations conducted by such central examining board shall be held at least in one place within this Province, simultaneously with such examinations held in any of the said other Provinces, or in the said North-West Territories.

41. The Medical Council shall, upon receiving information that any member of the Society has removed to another Province or country and engaged in the practice of his profession, and taken up his residence in said Province or country, cause his name to be erased from the Medical Register, after two years' absence, unless said party desires to continue membership by paying all dues and annual assessments of the Council.

42. (1) This act shall go into operation and take effect from and after the first day of July, A. D. 1899, and from and after that day the Act Fifty-fifth Victoria, Chapter Forty-two, entitled "The Medical Act, 1892," and the act to amend the same shall be repealed; but such repeal shall be subject to the condition and qualification hereinafter provided.

(2) Any person being at the time a resident in this Province, and who, at any time between the first day of July, 1896, and the first day of July, 1899, has commenced the study of medicine for the purpose of qualifying himself to practice the same in this Province, and who complies with the conditions and provisions in that behalf contained in the acts hereby repealed, and with the rules and regulations made thereunder and now in force, and who, after the first day of July, 1899, pursues and completes the remainder of his studies under the conditions and provisions of this act, shall be entitled to be registered under this act.

(3) The Council and all officers and persons acting under the said acts hereby repealed shall continue to act as if appointed under this act until others are appointed in their stead; and all proceedings taken under the said acts shall be taken up and continued under this act when not inconsistent therewith; and all penalties and forfeitures may be recovered, and all proceedings had in relation to matters which shall have happened before the said repeal, in the same manner as if the said acts hereby repealed were still in force.

(4) All by-laws, orders, regulations, rules and ordinances made under the said acts hereby repealed shall continue good and valid in so far as they are not inconsistent with this act, until they are annulled or others made in their stead.

(5) No offense committed, and no penalty or forfeiture incurred, and no proceeding pending under the acts hereby repealed, or under any regulation made thereunder, shall be affected by the said repeal.

(6) Every medical practitioner whose name shall appear on the register of the Council on the 30th day of June, A. D. 1899, as a duly registered medical practitioner, shall be considered and deemed to be duly registered under this act, but subject nevertheless to the provisions thereof.

43. Any proceedings taken before a stipendiary magistrate or justice of the peace under the provisions of this act, shall be taken under the provisions of the Summary Convictions Act of this Province

§ 3.—ADMISSION TO PRACTICE.

3976. No person shall practice medicine, surgery or midwifery in the Province, unless he has obtained a license from the Provincial Medical Board, which is hereby authorized to issue such license, and unless he be registered in accordance with this section. 42-43 V., c. 37, s. 6; 45 V., c. 32, s. 3.

3977. Every person who obtains a medical degree or diploma in any university or college mentioned in Article 3972 is entitled to such license, without examination as to his medical knowledge and skill, provided that such diploma has only been given after four years of medical study from the date of admission to study, and according to the requirements of this section, and provided also that the Provincial Medical Board has power to grant the same privilege to holders of degrees or diplomas of medicine and surgery from other British, Colonial or French universities or colleges. 42-43 V., c. 37, s. 7.

3977a. The privileges above conferred upon the holders of degrees or diplomas from British colleges and universities are hereby extended to every person whose name is entered upon the Medical Register, under the Imperial Medical Act, 1886 (49-50 Victoria, Chapter 48), or of any act amending the same. (Added by 52 V., c. 39, s. 1.)

3978. No person shall be admitted as a student of medicine, surgery or midwifery, unless he has obtained a certificate of qualification from the Provincial Medical Board.

No one is entitled to the license of the College, on presentation of a diploma, unless he has been previously admitted to the study of medicine in accordance with the provisions of this section, or unless he has passed an equivalent preliminary examination before a college, school or board authorized by law to require and cause such preliminary examinations to be passed in Her Britannic Majesty's other possessions. 42-43 V., c. 37, s. 8.

3979. At a regular meeting of the Board, after the expiration of the present triennial term, the Provincial Medical Board shall appoint, for three years (and similarly every third year), four persons actually engaged in the work of education in the Province of Quebec, to examine candidates for the study of medicine, surgery and midwifery, on the subjects of general education hereinafter mentioned, as belonging to the preliminary qualifications of medical students, viz.:

One examiner speaking the French language and one the English language, for the city of Montreal; and

One examiner speaking the French language and one the English language, for the city of Quebec.

The subjects for the preliminary qualifications to be English and French, Latin, geography, history, arithmetic, algebra, geometry, belles-lettres and any one of the following subjects: Greek, natural or moral philosophy.

The candidate must present a certificate of good moral character. 42-43 V., c. 37, s. 9.

3980. Every candidate for a license to practice medicine, surgery and midwifery in this Province, desiring to be registered, and who has not obtained a degree or diploma in medicine, surgery and midwifery from any of the institutions mentioned in Article 3972, shall, before being entitled to such license, and to registration, pass an examination before the Board, as to his knowledge and skill, for the efficient practice of medicine, surgery and midwifery; and, upon passing the examination required, and proving to the satisfaction of the examiners that he has, in an institution for the teaching of medicine, in Her Majesty's possessions, complied with the rules and regulations made by the Provincial Board, and on payment of such fees as the Board may, by general by-law, establish, such person shall be entitled to such license. 42-43 V., c. 37, s. 10.

3981. All persons coming from any recognized college outside of Her Majesty's possessions, and who are desirous of obtaining a license from the College of Physicians and Surgeons of the Province of Quebec, must previously pass the preliminary examination before the examiners appointed by the Provincial Medical Board, or establish, to the satisfaction of the Board, that they have already passed an equivalent examination.

They must, moreover, follow, in one of the schools of medicine in this Province, a complete course (for six months) of lectures, and such other course or courses as shall be necessary to complete the curriculum required by the Board; they shall also pass the professional examination before the Provincial Medical Board.

Such persons may pass their professional examination immediately after their preliminary examination. 42-43 V., c. 37, s. 11.

CAUTION.

Beware of so-called Medical Directories, plagiarized from R. L. Polk & Co.'s Medical and Surgical Register of the U. S. and Canada, in violation of the copyright laws.

We have positive proof that some of the so-called State Medical directories issued since August, 1898, were copied from our 1898 Register and palmed off as new and original works.

Our friends will confer a favor upon us, as well as render a service to the medical profession, by promptly notifying us of such attempted frauds.

THE NEWFOUNDLAND MEDICAL ACT, 1896.

Whereas, An Act was passed in the 56th year of the Reign of her present Majesty, entitled "The Newfoundland Medical Act, 1893."

And whereas, A Medical Board was appointed under the provisions of the said Act, and consisted of the following medical practitioners, viz.: Henry Shea, William M. Allan, J. S. Tait, H. Rendell, N. McKendrick, J. G. Duncan and N. S. Fraser;

And whereas, it is advisable to enlarge the powers of the said Board:

Be it, therefore, enacted by the Governor, Legislative Council and House of Assembly, in Legislative Session convened, as follows:

1. The following medical practitioners, namely: Henry Shea, W. M. Allan, J. S. Tait, H. Rendell, N. McKendrick, J. G. Duncan and N. S. Fraser, and their successors under this Act, shall be and are hereby constituted a Board for the purposes of carrying out the provisions of this Act, and shall be known as "The Newfoundland Medical Board."

2. The members of the said Board shall hold office during good behavior or until voluntary resignation, subject to removal at any time by the Governor in Council upon the petition of five members of the said Board.

3. Any vacancy in the said Board shall be filled by the registered medical practitioners of Newfoundland, by election in such manner and subject to such rules as may be made by the said Board. All registered medical practitioners shall be entitled to vote at any such election.

4. The Board shall hold an annual meeting at such time and place in Newfoundland as may be determined upon. At this meeting the Board shall appoint examiners and fix the time of examinations for the ensuing year. Such other meetings as may be necessary shall be held in St. John's, and shall be called by the Secretary upon giving a reasonable notice thereof to each member.

ABBREVIATIONS—R., Regular; H., Homœopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received in answer to inquiry regarding Graduation; †, Attended lectures but did not graduate; §, Holds certificate of Examining Board; ‡, Not a graduate; †, Legally authorized under the "years of practice" section of act.

Adopted by the U. S. Army...

As an indication of the great practical value of "SAUNDERS' MEDICAL HAND-ATLASES," it should be noted that the Medical Department of the U. S. Army has adopted the Atlas of Operative Surgery as its standard, and has ordered the book in large quantities for distribution to the various regiments and army posts. (See pages 84, 85, 86.)

5. The Board shall consist of seven members, of whom four shall be resident medical practitioners resident in St. John's. Four members shall be a quorum for all purposes.

6. The Board shall elect one of their number as President and another as Treasurer, and a third as Secretary and Registrar. The duties of the said officers and the remuneration (if any) to be paid them shall be determined by the Board.

7. The Board shall have power to make rules, not inconsistent with this act, respecting

(a) The holding of meetings, and the place and time of and the order of business at such meetings;

(b) The filling of vacancies in the Board by election, and the taking and receiving of votes of registered practitioners by proxy or otherwise at such elections;

(c) The conduct of examinations and the granting of certificates upon matriculation;

(d) The registration of members;

(e) The fees payable for registration, certificates, licenses and examinations under this Act, and fixing the amount of such fees; and

(f) The inquiry by the Board into complaints against persons charged with an offense under Section twenty-three of this Act, and the mode of procedure thereon.

8. The Board may make such further rules, subject to approval by the Governor in Council, as they may deem necessary for carrying into effect the purposes of this Act.

9. No person shall begin or enter upon the study of medicine, surgery or midwifery, in this Colony, unless he shall have obtained from the Newfoundland Medical Board a certificate that he satisfactorily passed a matriculation or preliminary examination on the subject in Schedule A hereto.

10. No candidate shall be admitted to such matriculation or preliminary examination unless he shall have, at least fourteen days previous to such examination, given notice to the Registrar of his intention to present himself for such examination, and shall, before the examination, have paid to the Registrar the fee prescribed by the Board.

11. The Board shall cause to be kept by the Registrar a book or register, in which shall be entered the name of every person registered, according to the provisions of this Act, together with his place of residence, and the medical titles, diplomas and qualifications conferred by any college or body, and the dates thereof, and the said register shall be in the form in Schedule B, or as near thereto as may be found convenient. Those persons only whose names are inscribed in the book or register shall be deemed to be qualified to practice medicine, surgery or midwifery in this Colony.

12. The Registrar shall, on or before the 15th day of January in each year, cause to be printed and published in the Royal Gazette a copy of the said register containing the names in alphabetical order according to the surnames of all persons appearing on the register at that date.

13. Such register shall be called "The Newfoundland Medical Register," and a copy of the same for the time being shall be prima facie evidence in all courts and before all justices of the peace and others, that the persons therein specified are registered according to the provisions of this Act, and the absence of the name of any person from such register shall be prima facie evidence that such person is not registered according to the provisions of this Act.

14. The Registrar shall enter upon the register the names of all persons registered under the Act 56th Vic., Chap. 12, without fee.

15. Every person shall be entitled to have his name registered on the Newfoundland Medical Register upon satisfying the Board that he holds a medical degree or diploma from some regular university or school of medicine, having a four years' course of study, and that he has, prior to obtaining such degree, passed a preliminary or matriculation examination satisfactory to the Board, and upon paying to the Registrar the fee prescribed by the Board.

16. No qualification shall be entered on the register either on the first registration or by way of addition to a registered name, unless the Registrar is satisfied by proper evidence that the person claiming such qualification is entitled to it. Any appeal from the Registrar shall be decided by the Board.

17. Any entry proved to the satisfaction of the Board to have been fraudulently or incorrectly made, may be erased from the register by an order of the Board.

18. Any person registered under this Act who may have obtained any higher degree or diploma, other than that already recorded in the register, shall be entitled to have the same inserted in the register in addition to or in substitution for that previously inserted.

19. Every registered medical practitioner shall annually, before the 10th day of January, take out from the Registrar a certificate to practice, for which he shall pay to the Registrar the fee prescribed by the Board. The said fee shall be deemed to be a debt due by each registered medical practitioner to the Board, and shall be recoverable with costs in an action in the name of the Newfoundland Medical Board before any stipendiary magistrate or justice of the peace.

20. Every person registered under this Act who shall have taken out the certificate, as provided in Section 19, shall be entitled to practice medicine, surgery and midwifery in any part of this Colony, and to demand and recover in any court reasonable charges for professional aid or advice, together with the cost of any medicine or other medical or surgical appliance supplied by him.

21. Any person entitled to be registered under this Act, who neglects or omits to take out the certificate provided in Section 19, shall not be entitled to any of the rights or privileges conferred by registration so long as such neglect or omission continues, and he shall be liable to all the penalties imposed by this Act upon unqualified or unregistered practitioners.

22. The Board may, after examination, grant to any person, not otherwise qualified or entitled to registration under this Act, a license to practice medicine, surgery or midwifery for a limited period in specified localities. The names of such licensees, together with the period for and the locality in which they may practice, shall be entered in the register and published as hereinbefore provided in the case of registered medical practitioners. Such licensee shall pay the fee prescribed by the Board, and shall thereupon be entitled to demand and recover in any court reasonable charges for aid and advice, together with the cost of any medicine or other medical or surgical appliances supplied by him during the period and within the limits of his license.

23. Whenever a medical practitioner or licensee registered under this Act has been or may hereafter be found by the Medical Board, after due inquiry by a committee of their number or otherwise, guilty of professional misconduct or mal-practice, or of conduct unbecoming a practitioner, the said Board may resolve that such medical practitioner or licensee is unworthy to practice medicine, surgery or midwifery in this Colony and strike his name off the books and the register, either absolutely or for a limited period, and thereupon all the rights and privileges of the said medical practitioner or licensee shall thenceforth cease and determine, either absolutely or for such period.

(a) Such medical practitioner or licensee may appeal from such decision to the Supreme Court at its next sitting, upon giving due notice thereof to the said Board (in which notice shall be set forth the grounds of appeal) within fourteen days after the passing of such resolution. When such notice shall have been given, the Secretary shall transmit all papers connected with the charge and proceedings thereunder, and the evidence taken thereon, to the Supreme Court. If no notice be given within the time specified, or in case such appeal be not prosecuted at the next sittings of the Supreme Court, the resolution of the Board shall stand confirmed.

24. It shall not be lawful for any person not registered to practice medicine, surgery or midwifery for hire, gain or hope of reward, and if any person not registered pursuant to this Act, practices, or professes to practice, medicine, surgery or midwifery, or advertises to give advice, or gives advice, in medicine, surgery or midwifery for hire, gain or hope of reward, he shall, upon conviction in a summary manner before a Justice of the Peace, pay a penalty not exceeding fifty dollars, and, in default of payment, be imprisoned for a period not exceeding six months.

25. Any person who wilfully or falsely pretends to be a physician, doctor of medicine, surgeon or medical practitioner, or assumes any title or addition or description other than he actually possesses or is entitled to, shall be liable, upon conviction thereof in a summary manner before a stipendiary Magistrate or Justice of the Peace, to a penalty not exceeding fifty dollars, or, in default of payment, to imprisonment for a period not exceeding three months.

26. Any person, not registered pursuant to this Act, who takes or uses any name, title, addition or description, implying or calculated to lead people to infer that he is registered under this Act, or that he is recognized by law as a physician, surgeon, accoucheur, or a licentiate in medicine, surgery or midwifery, shall be liable, on conviction thereof in a summary manner before a stipendiary Magistrate or a Justice of the Peace, to a penalty not exceeding fifty dollars, or, in default of payment, to imprisonment for a period not exceeding six months.

27. No person shall be entitled to recover in any Court any charge for any medical or surgical advice, or for attendance, or for the performance of any operation, or for any medicine which he may have prescribed and supplied, unless he is registered under this Act, and shall have for the current year taken out the certificate provided in section 19, or the license provided in section 22 of this Act.

28. In any trial or prosecution under this Act the burden of proof shall be upon the person charged.

29. All penalties recovered under this Act shall be paid to the Registrar, and shall form part of the funds of the Board. Any person may be prosecutor or complainant under this Act, and the Board may allot such portion of the penalties recovered as may be expedient towards the payment of such prosecutor.

30. No person shall be appointed as medical officer, physician or surgeon in any branch of the public service, or in any hospital or other charitable institution, unless he is registered under this Act.

31. Any person, whilst employed in actual service in any naval or military service as physician or surgeon, may practice medicine, surgery or midwifery in Newfoundland after having been registered.

32. Nothing in this Act shall prevent private persons from giving necessary medical or surgical aid in times of urgent need, provided that such aid is not given for gain or hire.

33. Nothing in this Act shall prevent the practice of midwifery by females.

34. If the Registrar shall wilfully cause any name to be placed on the register not in accordance with the provisions of this Act, he shall forfeit the sum of one hundred dollars, and be removed from his office by the said Board.

35. The words "legally qualified medical practitioner," or "duly qualified medical practitioner," or any other importing a person recognized by law as a medical practitioner or member of the medical profession, when used in any Act of the Legislature or legal or public document, shall be construed to mean a person registered under this Act.

36. The Act 56 Vic., Chap. 12, is hereby repealed: provided that such repeal shall not invalidate anything done, or affect any right acquired by registration under the said Act.

37. This Act may be cited as "The Newfoundland Medical Act, 1896."

1 HUNDRED THOUSAND COPIES.....

In view of the unprecedented success of the "SAUNDERS MEDICAL HAND-ATLASES," Mr. Saunders has contracted with the German publisher for 100,000 copies of these books. In consideration of this undertaking, the publisher has been enabled to prepare special additional colored plates, making the series even handsomer and more complete than was originally intended. (See pages 84, 85, 86.)

The postoffice address is shown in **DISPLAY TYPE**, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 131 to 172) indicates the college of graduation, and the last number the year in which diploma was granted.

MEDICAL LAWS OF CHOCTAW NATION.

AN ACT AMENDING THE MEDICAL LAW AND DEFINING THE DUTIES OF THE BOARD OF HEALTH.

Be it Enacted by the General Council of the Choctaw Nation assembled:

Section 1. That the present medical law be, and the same is hereby, changed and amended to read as follows: The Principal Chief of the Choctaw Nation is hereby authorized and required to appoint a Board of Health, to consist of three persons, citizens of the Choctaw Nation, whose term of office shall be four years, who shall be regular graduates of some well known medical college, and residents of said Nation, whose duty it shall be to act as a Board of Medical Examiners, and to have in addition all the powers and authority usually delegated to a Board of Health, and which is more specifically hereinafter defined.

Sec. 2. The Board of Health shall elect annually from their number a President, Vice-President and Secretary. The President shall have general supervision over the work of said Board of Health, and, in this capacity, shall be recognized as the Health Officer of the Choctaw Nation, and all matters pertaining to the public health shall be regulated and carried out under his direction and supervision.

The Vice-President shall act instead of the President when, for any reason, the latter is unable to attend to his duties.

The Secretary shall attend to all correspondence, keep all records, and be the disbursing officer of all funds when approved by the President, and his office shall be the headquarters of said Board of Health.

Sec. 3. The Board of Health shall meet once every three months, and at such other times as may be deemed necessary, for the purpose of examining any person or persons who may apply for a license to practice medicine in the Choctaw Nation; provided such applicants are eligible as hereinafter defined, due notice of the time and place of meeting being given by the Secretary of the Board.

Sec. 4. Any person desiring to come before the Board of Health for examination must accompany his application with a certificate of good moral character, signed by three or more reputable citizens of the Choctaw Nation to whom the applicant is known; but no person who has not attained the age of twenty-one years, and has not attended at least one term at some reputable Medical College, shall be permitted to take the examination.

Sec. 5. The fee for examination shall be fifteen dollars, which must accompany the application for examination. In no case will the fee be returned, but when an applicant fails to pass a satisfactory examination he may be given a subsequent examination at the expiration of three months without the payment of an additional fee.

Sec. 6. If an applicant shall pass a satisfactory examination the Board of Health shall grant said applicant a certificate to practice medicine, surgery and obstetrics in the Choctaw Nation, said certificate to show upon its face the school of medicine with which the holder affiliates, and to bear the seal of the Board of Health and be signed by at least two members of the Board of Health. This certificate shall be registered in the office of the Secretary of the Choctaw Nation in a book kept for that purpose, for

which a fee of fifty cents shall be charged, after which he or she will be permitted to practice medicine, surgery and obstetrics in the Choctaw Nation without any subsequent expenses herein.

Sec. 7. Any person holding a certificate from the Board of Health, and found guilty of habitual drunkenness, or grossly immoral or unprofessional conduct, shall have the same revoked.

Sec. 8. Any person shall be held to be practicing medicine, surgery or obstetrics, or to be a physician in the meaning of this act, who shall publicly profess to be a physician, surgeon or obstetrician, or assume the duties, or shall make a practice of prescribing and furnishing medicine for the sick, or shall publicly profess to cure or heal; but it shall not be construed to prohibit gratuitous service in the case of emergency, nor shall it apply to surgeons of the United States Army or Navy, nor to the advertisement and sale of patent or proprietary medicines.

Sec. 9. Any person not a citizen of this Nation who shall practice medicine, surgery or obstetrics in this Nation in violation of this act, shall be expelled from the limits of said Nation as an intruder; any person who is a citizen of this Nation violating this act shall be fined the sum of twenty-five dollars for each offense, and each day that he or she shall practice in violation of this act shall be construed a separate offense.

Sec. 10. Every physician who practices medicine, surgery or obstetrics, or professing or attempting to treat, cure or heal diseases, ailments or injuries by any medicine, appliance or methods; who goes from place to place, or house to house, or by circulars, letters or advertisements, solicits persons to meet him for professional treatment at places other than his office, or at the place of his residence, shall be considered an itinerant physician, and in addition to the certificate elsewhere provided for in this act, such itinerant physician shall procure from the Board of Health a license as an itinerant physician, for which he shall pay to the Treasurer of the Choctaw Nation the sum of one hundred dollars per annum, the same to be used by the Choctaw Nation as any other revenue. This certificate may be revoked as in the case of regular certificates.

Any person not a citizen of this Nation who shall violate this section shall be expelled as an intruder and be subject to all the pains and penalties applicable to such cases should he or she return; any citizen of this Nation violating this section shall, upon conviction, be fined not less than one hundred nor more than three hundred dollars, and confined in jail in said Nation until the fine is paid.

Sec. 11. The Board of Health shall receive the fees as compensation for its service when acting in the capacity of an Examining Board, but at such other times, when engaged in sanitary work or when engaged in preventing and suppressing disease, and for all other duties besides the duties of an Examining Board, the compensation shall be fixed by the Principal Chief of the Choctaw Nation; provided, however, that, in addition to the above, the Secretary of the Board of Health shall receive a monthly salary of twenty-five dollars, the same to be paid out of the funds of the Choctaw Nation as in the case of other officers of the Nation.

Sec. 12. It shall be the imperative duty of the Board of Health of the Choctaw Nation to use all reasonable means and measures looking to the preservation of the public health. It is, therefore, clothed with the authority, and it is hereby made its bounden duty, to investigate the cause and spread of disease, and to use every reasonable means for its prevention and suppression. To this end it shall have the power to establish quarantine, fumigate and disinfect infected premises, and remove, destroy or abate things that are manifestly dangerous to the public health.

Sec. 13. It is further clothed with the authority to administer oaths, take testimony or summon witnesses when in its judgment the interests of the public health require it; and this authority is delegated to each and every member of the Board of Health.

Sec. 14. It is further enacted that any and all officers of the peace of the Choctaw Nation shall be required to enforce the orders, regulations and restrictions emanating from the said Board of Health, and to co-operate and act in conjunction with the Board and each member thereof in the discharge of its duties as hereinbefore specified.

Sec. 15. Be it further enacted, That this act shall be in full force and effect from and after its passage, and any and all acts conflicting with this act are hereby repealed.

Approved November 1, 1899.

GREEN McCURTAIN,
Principal Chief Choctaw Nation.

Executive Mansion, Washington, D. C., April 18, 1900.

Approved.

WILLIAM McKINLEY.

This is to certify, That the above and foregoing is a full, true and correct copy of the original act of the Choctaw General Council passed at its regular session for the year 1899, and approved by the Principal Chief of said Choctaw Nation, in his official character, and approved by the President of the United States, upon the dates therein set forth, and the said act is now on file in the office of the National Secretary of said Nation.

In testimony whereof, I, Solomon J. Homer, National Secretary of said Nation, have hereunto affixed my official signature and the Seal of the
(Seal) Choctaw Nation, this, the 30th day of April, 1900.

This College is a member of the "Association of American Medical Colleges." Four regular courses are required prior to graduation. The Preliminary Fall Course begins September 1st; the Regular Winter Course begins October 1st; and the Spring Course April 1st.

Thorough Laboratory work is required in Biology, Comparative Anatomy, Human Anatomy, Chemistry, Histology, Physiology, Embryology, Bacteriology, Pathology, Clinical Pathology, and Operative Surgery.

Practical Hospital and Dispensary work is required during the third and fourth years. The wards of the Maryland General Hospital are filled with patients suffering from nearly every form of disease and injury, furnishing a large Clinic for Medical and Surgical cases. Our Maryland Lying-in Hospital, immediately adjacent, presents excellent advantages for the study of practical Obstetrics.

There is abundant clinical work in Obstetrics, Gynecology, Medicine, Surgery, Eye and Ear, Nose, Throat and Chest, Diseases of Children, Nervous and Mental Diseases, etc. The Baltimore Medical College Dispensary furnishes an out-door Clinic of 25,000 patients annually. Our College Buildings are spacious, comfortable, and among the most completely equipped in the United States, and are located on Madison street, corner of Linden avenue, on Linden avenue, and on Howard street. They contain a large Lecture Hall, a Clinical Amphitheatre, an Anatomical Amphitheatre, and Laboratories of Anatomy, Biology, Histology, Physiology, Chemistry, Pathology, Bacteriology, etc., all of which are thoroughly equipped.

Terms reasonable. For further particulars send for Catalogue, and address

DR. RING'S SANATORIUM, ARLINGTON HEIGHTS, MASSACHUSETTS.

Eight Miles from Boston.

ESTABLISHED 1879.

ARLINGTON HEIGHTS is Boston's most beautiful and commanding suburb. Almost on the very summit of these Heights, Dr. Ring's Sanatorium is situated. The views from the piazzas, Cupola and immediate vicinity are grand beyond description. The Air is as pure and bracing as the White Mountains, while the water of a never-failing Spring, from a recent analysis, shows that we have as perfect **WATER** as any of which we have knowledge. Only eight miles from Boston, and six from Cambridge, the **HEALTH** and **REST** seeker enjoys as much quiet and seclusion as though far away from the busy haunts of men.

Our Hydrotherapeutic department is more complete than that of any other Sanatorium in New England. It includes the **HOT-AIR**, or Turkish, **ELECTRIC VAPOR**, or Russian, **NEEDLE, DOUCHE, SHOWER**, and **SITZ** baths. We have recently introduced the **BETZ** Bath for arthritic rheumatism and other affections requiring the direct topical administration of **HOT AIR**. We have also installed the **SCHOTT**, or **NAUHIEM** bath system for the treatment of Chronic Diseases of the Heart, and have had excellent success with it.

Much attention is paid to Gynaecology, for which we have every convenience.

The **ELECTRICAL** Department is provided with **STATIC, GALVANIC** and **FARADIC** instruments. Our more than thirty years' experience in the use of electricity as a therapeutic agent enable us to assure physicians that their patients, whom they kindly send us, will receive skillful application of this valuable factor in the treatment of chronic diseases.

MASSAGE is given by competent Operators.

The staff of physicians consist of three, one of whom is a woman who is especially adapted to the important duties which she is daily called upon to perform. **PATIENTS**, men and women, are received at the **SANATORIUM** at all seasons of the year.

 Canada and the East.

New York Homœopathic Medical College and Hospital

Corner 63d Street and Eastern Boulevard,

NEW YORK CITY.

Session Begins in October.

— Closes in May.

THE four years course of instruction is carefully graded, beginning with laboratory work and didactic teaching in Chemistry, Anatomy, Physiology and Histology. In these branches the students are provided with chemical apparatus, reagents, subjects for dissection, microscopes, and all instruments and material requisite for a thorough knowledge of the various subjects taught. The seniors are carefully instructed in General and Special Pathology, Diagnostics and Therapeutics, as applied to all forms of disease. Clinical instruction constantly supplements the lectures, material being supplied from the out patient department of the Flower Hospital, attached to the College, and from other institutions with which the members of the faculty are connected. Bedside instruction is given in the Diseases of Children and Obstetrics. Operations in General Surgery and in Gynæcology at the Flower Hospital, adjoining the College, the Metropolitan Hospital, and the Laura Franklin Hospital for Children, will illustrate fully the methods of practical operative art, while the new Medical Hospital, the Ophthalmic Hospital, and the enormous material in the Metropolitan Hospital will provide bedside instruction in medical diagnosis and therapeutics.

Course of Instruction and Facilities.

Four years of graded instruction are required of candidates presenting themselves for the degree of M. D. The instruction consists in didactic lectures, amply supplemented by clinical teaching at the bedside and in the laboratories and dispensaries.

In addition to the members of the Faculty named above, there is a large corps of experienced instructors who assist the professors in practical work in the laboratories or in bedside work at the hospitals and dispensaries. Every candidate for the degree is personally taught, by dividing the class into small sections, in Clinical Medicine and Physical Diagnosis, Obstetrics and Gynecology, Major and Minor Surgery and Bandaging, Orthopedic Surgery, Diseases of Children, Ophthalmology, Neurology, Otology, Dermatology, Laryngology, and Genito-Urinary Diseases. Ample clinical material is afforded by the Jefferson College Hospital, in which no less than 300 patients are treated daily, and by the Philadelphia and other Hospitals.

Laboratory instruction is given in Medical Chemistry, Pharmacy, Physiology, Clinical Microscopy, Anatomy, and Histology, and in Operative Obstetrics, Surgery, Pathology and Hygiene.

Daily instruction in the practical branches is given in the Hospital of the College, is a special feature of the course in the second and third years, and is without extra charge.

Special Laboratory instruction is given to graduates of medicine in Bacteriology and Pathology.

The Annual Announcement, giving full particulars, will be sent on application to

J. W. HOLLAND, M. D., Dean.

HAHNEMANN MEDICAL COLLEGE AND HOSPITAL

Chartered 1848.

Broad Street above Race,
PHILADELPHIA.

Medical Students, in selecting their Alma Mater, should

REMEMBER:

1st. That the Hahnemann Medical College of Philadelphia is the oldest Homœopathic Medical College in the world, and her alumni, 2,500 in number, are found in every State in the Union and in the Faculty of every Homœopathic Medical College in the country.

2d. That its College and Hospital buildings are new and modern in construction and complete in every detail.

3rd. That they are located in the heart of the city, within two squares of the City Hall, and convenient to all places of interest and public resort.

4th. That it has a museum of Anatomical and Pathological specimens scarcely excelled in size and variety in this country.

5th. That it has a library of 15,000 volumes to which students have free access.

6th. That its Laboratories—Anatomical, Physiological, Histological, Chemical, etc., etc.—are fully equipped in every detail.

7th. That it has a corps of experienced Professors, Lecturers and Demonstrators, 48 in number.

8th. That its teachings are broad and liberal, embracing everything essential to a thoroughly educated modern physician.

9th. That it has a large Hospital in which over 36,000 patients are treated annually, and that senior students have six months experience in the several departments of its Dispensary, in which they examine, diagnose and treat hundreds of cases, embracing all classes of disease and accident, under the direction of the Professors and Instructors.

10th. That in the Obstetrical Department every senior student is drilled in the use of Obstetrical instruments, performs all the operations, and attends cases of confinement.

11th. That it requires a good preliminary education and a four years course of lectures.

12th. That Philadelphia is renowned as the medical center of the country; is a delightful place of residence, and offers a home for the student full of attractions and interesting historical associations.

13th. That announcements may be had by addressing PEMBERTON DUDLEY, M. D., Dean, or CHARLES MOHR, M. D., Registrar, Hahnemann Medical College, Philadelphia, Pa.

The Regular Session begins on the 1st Tuesday of October and continues eight months. Dur-
ing this session, in addition to four Didactic Lectures, two or three hours are daily allowed to
Clinical Instruction. Attendance upon four regular courses of lectures is requisite for graduation.
A four years' graded course is provided.

The laboratories are open during the collegiate year for instruction in chemistry, microscopy,
practical demonstrations in medical and surgical pathology, and lessons in normal histology.
Special importance attaches to "the superior clinical advantages possessed by this College."
Large clinics. New buildings. For particulars, see annual announcement and catalogue, for
which address the Secretary of Faculty.

CORNELL UNIVERSITY MEDICAL COLLEGE,

NEW YORK CITY.

The Session of 1900-1901 will begin Tuesday, October 2, 1900, and will continue about eight months. The course of instruction covers four years. Students who present credentials from other accredited medical colleges of full courses of study will be admitted to advanced standing after passing examinations on those subjects the study of which has been completed in the previous years.

In conjunction with the regular curriculum there is an optional Summer Course in operation during the months of May, June, and July, in which any student or post-graduate may select clinical work which is distributed among some fifty dispensaries and hospitals. At the same time, if desired, lessons taught by recitations may be taken in Anatomy, Surgery, Medicine, Obstetrics, Materia Medica, Physiology and Chemistry.

The ESSENTIAL FEATURES OF THE CURRICULUM are: 1. Recitations in sections throughout all years and on all the principal branches. 2. Thorough Laboratory instruction. 3. Clinical and bedside section teaching and clinical ward work, with the Professors and Clinical Professors, in small groups in Bellevue, New York, Presbyterian, Mothers' and Babies', and other city hospitals. 4. Special branches taught clinically to small groups in hospitals and dispensaries.

Cornell University announces the establishment, as a department in its Medical College, of a School of Practical Hygiene and Sanitary Science. There will be two courses annually, each of six weeks' duration, which will be conducted with reference to the special needs of Health Officers throughout the country. The Spring course will begin on the third Tuesday in May and continue for six weeks. The Fall course will begin on the first Tuesday in October and continue for six weeks.

The full Four-Year Course of the Cornell University Medical College is given in the city of New York, but the first half of it—the work of the first and second years—is also given at Ithaca, where it may be taken by men students, and where alone it can be taken by women students (for whom a home is provided in the Sage College for Women). Both men and women students must take the last two years of the course in New York city.

The circular for 1900-1901, giving the Faculty, full details of the curriculum, requirements for admission, and other information, will be sent on application.

**1 HUNDRED
THOUSAND
COPIES.....**

In view of the unprecedented success of the "SAUNDERS MEDICAL HAND-ATLASES," Mr. Saunders has contracted with the German publisher for 100,000 copies of these books. In consideration of this undertaking, the publisher has been enabled to prepare special additional colored plates, making the series even handsomer and more complete than was originally intended. (See pages 34, 35, 36.)

Rush Medical College

IN AFFILIATION WITH THE
UNIVERSITY OF CHICAGO.

Beginning with the first day of July, 1899, the Academic year of Rush Medical College will date from the first day of July and will be divided into four quarters, designated as the Summer, Autumn, Winter and Spring Quarters. Instruction in all departments of medicine will be given in courses occupying a certain number of hours weekly throughout each Quarter, or, in special cases, for a single term only of half a quarter.

The general course of instruction in Rush Medical College requires four years of study in residence, with a minimum of attendance upon three Quarters of each year. These years are designated as the Freshman, Sophomore, Junior, and Senior years, respectively.

A student may begin his College work on the first day of any Quarter, and may continue in residence for as many successive Quarters as he desires. Credit will not be allowed, however, for more than three successive Quarters.

Instruction is given in two capacious, well-lighted edifices. The laboratory building contains seven large laboratories, in which are conducted the practical courses in

**Anatomy, Physiology and Histology, Chemistry,
Materia Medica, Pathology and Bacteriology.**

The old building is devoted to instruction by **CLINICS, DIDACTIC LECTURES**, and by numerous important practical courses in **MANUAL TRAINING** in manipulations and in the use of the instruments employed in medicine, surgery, obstetrics and the specialties.

Manual training in all departments of medicine is a special feature of the instruction in this College. Systematic recitations, conducted in five commodious recitation rooms, are regarded as a most important means of teaching.

With over seventy professors and instructors and with ample room and appliances, this school is able to furnish its classes with the most approved systematic education in medicine.

Physicians and medical students are invited to visit the laboratories and to inspect the educational appliances of this school.

Northwestern University Medical School

(CHICAGO MEDICAL COLLEGE)

2421 to 2435 Dearborn Street, CHICAGO, ILL.

F. S. JOHNSON, A. M., M. D., Dean.

This Medical School was the pioneer in insisting upon the following points in medical education: The enforcement of a standard of preliminary education, the adoption of longer annual courses, grading of the curriculum.

The regular course now includes four years of eight months each.

The buildings now occupied by the school were erected in 1893. One is a model laboratory building; the other an admirably arranged out-patient hospital.

The equipment of the laboratories is very complete. The professors of chemistry and physiology are practical men and very successful teachers. They devote their entire time to the college. The pathological department is especially well equipped. The courses are most thorough and practical.

The curriculum is arranged in four entirely separate and distinct consecutive annual courses. Instruction is by didactic and clinical lectures, recitations, demonstrations and laboratory and clinical exercises.

The clinical material is unusually large and varied. It is drawn from the South Side Dispensary, located in the College Building, and Mercy, St. Luke's, and Wesley Hospitals. Over 24,000 cases were treated in the Dispensary last year. Clinical instruction is graded, the simplest specialties being taught first. Clinics are so numerous that each individual student is able to examine patients thoroughly. The seniors make ward visits in divided classes and thus keep track of all the hospital patients. Students in the first year do not attend clinics; those of the other three years comprise the clinical class, and are divided into two divisions—hospital and dispensary. The hospital division is subdivided, one section attending Mercy Hospital and the "College Clinics," the other attending St. Luke's Hospital and the "College Clinics." In the dispensary, the patients are assigned to its several departments, medical, surgical, et al., and small groups of students are assigned for daily work in these departments, the assignment so arranged that each group works five consecutive weeks in each department, and in the course of the year in all departments. The "College Clinics" are conducted by the professors of the several departments, and fourteen are given each week. Dispensary and college clinic hours are from 10 to 12 A. M., and 2 to 4 P. M.

FEES: A matriculation fee of five dollars is paid once. Annual fee is one hundred and thirty-five dollars. A deposit of ten dollars is required to cover breakage; if none occurs this fee is returned.

Every candidate for admission, not holding a degree of arts, literature, philosophy, or science, must pass a written examination on entrance to this School, in the following subjects: 1. English. 2. Latin. 3. Physics. 4. Chemistry. 5. Either French or German. 6. Algebra, Plane Geometry or Botany. The admission examination for the coming year will be held June 27th, at Boston, Quincy, Andover, Groton, Southborough, Worcester, Mass., Exeter, Concord, N. H., New York, Albany, Buffalo, Philadelphia, Washington, Cleveland, Cincinnati, Chicago, St. Louis, St. Paul, Denver, San Francisco, Portland, Oregon, and Bonn, Germany; on September 23d, at Boston only. In and after June, 1901, candidates for admission must present a degree in arts, literature, philosophy, or science from a recognized college or scientific school, with the exception of such persons, of suitable age and attainments, as may be admitted by special vote of the Faculty, taken in each case. All candidates, whether presenting a degree or not, are required to satisfy the Faculty that they have had a course in theoretical and descriptive (inorganic) chemistry and qualitative analysis, sufficient to fit them to pursue the courses in chemistry given at the Medical School. Students who began their professional studies elsewhere may be admitted to advanced standing; but all persons who apply for admission to the advanced classes must pass an examination in the branches already pursued by the class to which they seek admission.

The course of study required in this School for the degree of M. D. is of four years' duration. This requirement was established at the beginning of the year 1892-93.

The year begins September 27, 1900, and ends on the last Wednesday in June, 1901. Instruction is given by lectures, recitations, clinical teaching and practical exercises distributed throughout the academic year. In the subjects of Anatomy, Histology, Physiology, Chemistry, and Pathology, laboratory work forms a large part of the method of instruction.

ORDER OF STUDIES.

First Year.—First Term. Anatomy and Histology. Second Term. Physiology and Physiological Chemistry.

Second Year.—First Term. Bacteriology and Pathology. Second Term. Anatomy, Clinical Chemistry, Materia Medica and Therapeutics, Theory and Practice, Clinical Medicine, Surgery and Clinical Surgery.

Third Year.—Theory and Practice, Clinical Medicine, Surgery, Clinical Surgery, Obstetrics, Pediatrics, Dermatology, Neurology, Gynaecology, and Mental Diseases.

Fourth Year.—Required Studies: Clinical Medicine, Clinical Surgery, Ophthalmology, Otolaryngology, Laryngology, Orthopaedics, Legal Medicine, Syphilis, and Hygiene. Elective Studies: Ophthalmology, Otolaryngology, Orthopaedics, Gynaecology, Dermatology, Neurology, Bacteriology, Physiology, Physiological and Clinical Chemistry, Hygiene, Operative Surgery, Operative Obstetrics, Anatomy, Embryology, Clinical Microscopy.

GEORGE M. HOBBS, Esq., President.

AUGUSTUS P. CLARKE, A. M., M. D., Dean.

J. H. JACKSON, A. M., M. D., Registrar.

Matriculation examination requirements are in accordance with those of the Association of American Medical Colleges. Special courses in Latin, Algebra and Physics are provided by the College for such students as are conditioned.

PLAN OF INSTRUCTION.

The plan of instruction comprises a four years' graded course, consisting of didactic and clinical lectures, conferences, laboratory practice, etc., upon the essential branches of the Science of Medicine. In addition to the lectures, there are recitations, clinical teaching and practical work in the laboratory and the dissecting room.

REQUIREMENTS FOR GRADUATION.

Candidates must be at least 21 years of age. They must have attended four annual courses of lectures of not less than six months' duration each in different years at this College; or have attended three such courses at some other recognized medical college or colleges and one at this; or, having attended two such courses at some other recognized medical college or colleges and two at this; or have attended one such course at some other recognized medical college and three at this; or, having been admitted to advanced standing in this College, by having pursued a prescribed course or courses of study in other recognized colleges and universities, as set forth by the Association of American Medical Colleges, shall be required to have attended at this College only such courses of lectures as are necessary to complete the curriculum of four annual courses of lectures. Candidates must have dissected all parts of the cadaver. They must have attended six cases of obstetrics.

The Twenty-first Regular Session will commence on the **THIRD WEDNESDAY IN SEPTEMBER, 1900**, and continue until the third Wednesday in June, 1901. For catalogues or other information, address

The course of instruction commences October 1st and extends over seven months.

A four years' course is required for graduation, the last year of which may be spent as house officer of a hospital acceptable to the Faculty.

The dissecting rooms and laboratories for chemistry, histology, pathology and bacteriology are fully equipped, and the courses in them are compulsory.

Systematic clinical instruction is given in diseases of the eye, ear, throat, gynecology, neurology, and venereal diseases at the college clinic.

Two hours a day clinical lectures are given in the amphitheatre of the Cincinnati Hospital.

Bedside instruction is given in the same institution to small classes of students.

In addition to the lectures and laboratory work at the college, recitations are held in the various branches.

The college possesses a separate building for its dispensary service, and a maternity hospital for the teaching of obstetrics.

Mr. and Mrs. Alexander McDonald have presented and thoroughly equipped a beautiful building in memory of their daughter, Mrs. Laura McDonald-Stallo.

Coincident with the gift of the Laura Memorial College, a union has been affected with the Woman's Medical College of Cincinnati.

By this arrangement there will be but one Medical College for Women in the State. The advantages of this arrangement will be manifest in the concentration of clinical, laboratory and practical anatomical teaching. The Presbyterian Hospital, immediately adjoining the college, has, during the past summer, been materially altered and improved, so that the clinical advantages which the students of this college have heretofore enjoyed will be greatly increased.

A graded course of four years' session of seven months each.

MEDICAL COLLEGE

OF

Western Reserve University

CLEVELAND, OHIO.

This College was established in 1843, and has maintained annual sessions from that time. The course of study for the degree of Doctor of Medicine is of four years' duration,—each year including eight months. Theoretical and applied branches are arranged with reference to their bearing upon and preparation for each other, and the effect of the whole course. Instruction is given by lectures, recitations, laboratory work, clinical demonstrations and practical exercises graded to the advancement of the student. Clinical opportunities are afforded by the Lakeside, Charity and City Hospitals, the Home of Maternity and two College Dispensaries.

**The College Year Begins on the first
Wednesday in October.**

Beginning with the academic year of 1901-2, the requirements for admission to the course in this College, will consist of such knowledge and training as are embodied in the first three years of a college course.

1899-1900

THERE is no college in the country which can give to a student a better practical education than this one. The reputation gained for it by its two thousand graduates is such that students come to it from all over the world. Within two years its matriculants have registered from nearly every state in the Union, from Japan, from the West Indies, and other countries. The aim is to make the instruction practical, such as will fit a man for the practice which he meets in the early years of his professional life. This can be accomplished, first—by having a thorough, solid foundation in the fundamental branches of anatomy, chemistry, physiology, histology and bacteriology; second—by building on this foundation a superstructure which shall embrace the best that can be gleaned from the experience of our Professors in their active practice, and from the best text books extant; and third—by capping this superstructure with a thorough, continuous, personal clinical teaching, so as to bring the student, during his entire senior year, in close relationship with the patient so that he may have the actual work of examining the patient and diagnosing, prescribing for, and treatment of the disease. All this is accomplished in our four years' course of instruction, as outlined in the annual announcement which the Registrar will be very glad to send on application. Write to him for it.

The Eclectic Medical Gleaner

Is an **INTERESTING, ENERGETIC** and **INDEPENDENT ADVOCATE** of modern eclectic medicine—the **SPECIFIC MEDICATION** idea in the application of drugs to the cure of disease.

It is uncompromising and untiring in the defense and dissemination of eclectic methods and principles.—**MODERN ECLECTIC MATERIA MEDICA, THERAPEUTICS** and **PRACTICE OF MEDICINE.**
